1) During any event held at the Minneapolis Event Center, outside amplified sound which does not exceed more than five (5) decibels above the ambient levels for music and microphone use during the event, such as a wedding ceremony or corporate event, will not require a permit. Any event where the sound is anticipated to be more than five (5) decibels above ambient levels for music or microphone use, an amplified sound permit will be required. If the use exceeds the number of hours allowed under such permit, the permit shall be denied and amplification at the proposed event will not be allowed.
