In regards to 3400 nicollet.we don't think it will be a good idea.we live a block from this location and there is hardly no parking now because for one the ymca clients park all the time out in street .are alley traffic would become way to busy.and they do not have a parking lot there.in winter time it would be impossible because of the one sided parking.there are a lot of young kids in area and Lyndale school is only 2 blocks away

Ms. Casey,

I am in full support of Ramen Kazama (3400 Nicollet Ave) and their application for a Class E on sale liquor license. This would put them in the same category as many other restaurants along this stretch of south Nicollet. In addition, I am glad that you are not requiring any off-street parking.

Thank you,

Stuart Munson

Comments:

I am very excited for Mr. Kazama to open his new Ramen Restaurant. I think they deserve approval for liquor license, as they are smart responsible owners of a business. Please approve them. This place will add even more class to the neighborhood. Ramen + SAKE! Mr. Kazama is very good man. ♡ 😊

Subject: Ramen Kazama - Class E

Hello Julie,

I am writing you in regards to the letter I received in the mail about granting the new Kazama restaurant a Class E license. I've lived in and around this neighborhood for roughly a decade and love the way that South Nicollet Ave. is going with restaurants such as Hola Arepa and Pat's Tap to name a few.

To me, it seems like the inclusion of another quality restaurant that offers drinks and something fun like karaoke in the area would add a lot of value to the up-and-coming neighborhood nightlife. It's nice knowing there are eventful places right outside my door that I can walk to with friends and family. Also, it's nice to see that we're surrounded by others doing the same thing, just enjoying the night. This is my anecdotal advice but it would be surprising to hear that I'm alone in that sentiment.

I fully support Kazama's request for a Class E license, it would somewhere my friends and I would love to frequent for drinks and a night of karaoke.

Thank you for your time

Sincerely,

Jonathan Rotondo
