Date: 11/9/2015
Referral: Ways & Means
From: Health Department
Prepared by: Becky McIntosh, Director of Administration, x2884
Presented by: Martina Campbell, Senior Public Health Specialist
File type: Action
Subcategory: Contracts & Agreements

Subject:

Contracts for prevention and management of hypertension and pre-diabetes for priority adult populations in Minneapolis.

Description:

Authorizing agreements with the following clinics and amounts to implement process and care improvements for Hypertension and Pre-diabetes Management for up to 24 months from fund/department 01300-8600120:

\$100,000	Neighborhood HealthSource
\$100,000	Hennepin County/NorthPoint Health and Wellness Center
\$100,000	University of MN/Community University Health Care Center

Previous Actions:

March 20, 2015 grant accepted by Council.

Ward/Address:

Select a ward.

Background/Analysis:

Following a competitive Request for Proposals process, the three clinics were selected to provide hypertension and prediabetes care management services over a two year period to priority populations (population subgroups with uncontrolled high blood pressure, at risk for diabetes and experiencing racial/ethnic or socioeconomic disparities - inadequate access to care, poor quality of care, or low income). This grant builds on current work to prevent and better manage obesity, diabetes, heart disease and stroke and the reduction of health disparity.

Financial Review:

No additional appropriation required, amount included in current budget.

- Future budget impact anticipated.**
- Approved by the Permanent Review Committee.**
- Meets Small and Underutilized Business Program goals.**
