**SUBJECT: Nomination of Noah Schuchman as Director of the Department of Regulatory Services**

Dear Executive Committee Members:

With this letter, I am submitting the name of Noah Schuchman as my nomination for the Director of Regulatory Services.

Mr. Schuchman brings with him seven years of experience working in the department in roles of increasing levels of responsibility, including most recently, Interim Director. He has experience and expertise working with and overseeing each of the divisions in Regulatory Services. He has proven himself to be a stable and consistent leader in the department throughout many transitions.

Additionally, Mr. Schuchman has depth of knowledge, expertise, and organizational agility within the enterprise's structure, operations, and governance. He has direct experience and expertise with the departmental budget, business planning, performance management, process improvement, communications, and organizational development efforts.

Upon your concurrence with this appointment, I request that you forward this to Community Development and Regulatory Services for City Council Action.

Sincerely,

Mayor Betsy Hodges  
Chair, Executive Committee
