To: Health, Environment & Community Engagement
Date: 8/22/2016
Referral: N/A
From: Health Department
Lead Staff: Pam Blixt, Public Health Emergency Preparedness Manager, x3933
Presented by: Pam Blixt, Kelly Muellman, Sustainability Program Coordinator, and Jenni Lansing, Senior Environmental Health Research Analyst
File Type: Receive & File
Subcategory: Presentation

Subject:

Presentation on climate change grant funded project.

Description:

Receiving and filing presentation about the results of the Vulnerability Assessment and a briefing about community outreach dialogs we will be doing in the current phase.

Previous Actions:

[15-01201](#) Accept grant award.

Ward/Address:

Not Applicable

Background/Analysis:

In 2015 the department received a grant from the Center for Climate Change and Health to expand upon the limited climate change adaptation/resilience work conducted by the Health Department. Funding will allow for increase awareness of climate change impacts for Health Department staff and community members, and will enable Health, Sustainability and other City Departments to begin planning for climate change impacts in the City of Minneapolis.

Financial Review:

No financial impact.
