Thirteen of the fourteen personnel taking home Fire Department Marked Vehicles are Sworn Personnel. They are required to be on call for immediate emergency responses at all hours of the day. The Fire Inspection Coordinator is a civilian position.

He promoted to the Fire Department from the City Inspections' Department. The Trade Inspectors had a policy for take home vehicles, providing they lived in Minneapolis. As a part of his hire agreement with the Fire Department, it was agreed that he could continue to take home a vehicle. Fire Department wishes to extend the Take Home Vehicle provision to all Fire Inspection Coordinators who are City of Minneapolis Residents.

All parking for Fire Department Take Home Vehicles is paid by the Department based on spaces allocated

by the Haaf Ramp
for designated Fire Department Vehicles.
