

**Capri Block Redevelopment
Response to RFP Questions
April 1, 2016**

Question: Can you confirm the lineal square footage from the current Northeast corner of 2101 W. Broadway (PID 16-029-24-22-0195) and the proposed new Northeast corner for 2101 West Broadway Avenue?

Response: The approximate lineal square footage of the parcel is 375 feet. The exact lineal square footage is subject to a final determination of the proposed division of 2033 W. Broadway (PID 16-029-24-22-0178) and to a survey to determine final parcel sizes.
