LABOR AGREEMENT

Between

CITY OF MINNEAPOLIS

and

MINNEAPOLIS BUILDING & CONSTRUCTION
TRADES COUNCIL, AFL-CIO

THIS AGREEMENT, hereinafter referred to as the *Labor Agreement* or the *Agreement*, is made and has been entered into effective the 1st day of January, 2014 by and between the City of Minneapolis, the *Employer*, and the Minneapolis Building and Construction Trades Council, AFL-CIO, the *Union*. The Employer and the Union, the *Parties*, agree to be bound by the following terms and provisions:

ARTICLE 1 RECOGNITION AND UNION SECURITY

Section 1.01 - Recognition and Amendments to Unit

Subd. 1. Recognition

The Employer recognizes the Union as the sole and exclusive certified collective bargaining representative of all employees whose job classifications and rates of pay are set forth in Appendix "A" of this Agreement, except those who are Supervisors and Confidential employees within the meaning of the *Minnesota Public Employment Labor Relations Act*, as amended, those who are otherwise excluded by the Act, and all other employees.

Subd. 2. Amendment to Certified Unit

Disputes which arise between the Employer and the Union over the inclusion or exclusion of any job classifications may be referred by either party to the Commissioner, Bureau of Mediation Services, State of Minnesota, for determination in accordance with applicable statutory provisions. Determination by the Commissioner shall be subject to such review and determination as is provided by statute and such rules and regulations as are promulgated there under. In the event the Employer has established a new job classification which is added to the bargaining unit by agreement between the Parties or by determination of the Commissioner,

Bureau of Mediation Services, State of Minnesota, the Parties agree to negotiate with one another concerning wages and such other terms and conditions of employment as may be applicable to the position and which are not covered by this Agreement. However, it is agreed that all other terms and provisions of the Agreement shall apply to the new job classification.

Section 1.02 - Union Dues and Fair Share Fees Check-Off

Subd. 1. Union Dues Payroll Deductions

In recognition of the Union as the exclusive representative, the Employer shall deduct an amount sufficient to provide the payment of the regular monthly Union membership dues uniformly established by the Union from the wages of all employees who have authorized, in writing, such deduction on a form designated and furnished by the Union. The Union shall certify to the Employer, in writing, the current amount of regular monthly membership dues which it has uniformly established for all members. Such deductions shall be cancelled by the Employer upon a written request made by the involved employee to the Union with a copy to the appropriate departmental payroll office.

Subd. 2. Fair Share Fees Payroll Deductions

In accordance with *Minnesota Statutes* §179A.06, Subd. 3, the Employer shall, upon notification by the Union, deduct a *Fair Share Fee* from all certified employees who are not members of the Union. This fee shall be an amount equal to the regular membership dues of the Union, less the cost of benefits financed through the dues and available only to members of the Union, but in no event shall the fee exceed eighty-five percent (85%) of the Union's regular membership dues or such amount as may otherwise be allowable by law. The Union shall certify to the Employer, in writing, the current amount of the Fair Share Fee to be deducted as well as the names of bargaining unit employees required by the Union to pay the fee.

Subd. 3. Time of Deductions

The Employer shall deduct Union dues and Fair Share Fees each payroll period. In the event an employee covered by the provisions of this section has insufficient pay due to cover the required deduction, the Employer shall have no further obligations to effect subsequent deductions for the involved payroll period.

Subd. 4. Remittance

The Employer shall remit such Union dues and Fair Share Fees deductions made pursuant to the provisions of this section to the appropriate designated officer of the Union by the 15th of the month following the month of the deduction along with a list of the names of the employees from whose wages deductions were made and not made.

Subd. 5. General Administration

The following shall be applicable to the administration of the provisions of this section:

a. All certifications from the Union as to the amounts of deductions to be made as well as notifications by the Union and/or bargaining unit employees as to changes in deductions must be received by the

Employer at least fourteen (14) calendar days in advance of the date upon which the deduction is scheduled to be made in order for any change to be effected.

b. The Employer shall, upon the request of the Union, but no more frequently than once each calendar quarter, provide the Union with a report showing the names of those employees in the bargaining unit along with their classifications and department locations, mailing addresses of record, Union Code, current rates of pay, and classification/City seniority.

c. When an employee on the dues deduction transfers from one work location within the bargaining unit to another, the deduction of dues shall not be terminated except as directed by the involved employee.

d. No other employee organization shall be granted payroll deduction of dues for employees covered by the Agreement without the express written permission of the Union.

Subd. 6. Hold Harmless

The Union agrees to indemnify, defend and hold the Employer, its officers, agents and employees harmless against any and all claims, suits, orders or judgments brought or issued against the Employer, its officers, agents and employees as a result of any action taken or not taken in compliance with the specific provisions of this section or which are taken or not taken at the request of the Union.

Section 1.03 - Exclusive Representation

The Employer shall not enter into any agreements with the employees covered by this Agreement either individually or collectively or with any other employee organization which in any way conflicts with the terms and provisions of this Agreement. Further, the Employer shall meet and negotiate, pursue the resolution of grievances and conduct arbitration proceedings only with the properly designated representative(s) of the Union.

Section 1.04 - Union Stewards

The Union may designate certain bargaining unit employees to act as stewards and shall certify to the Employer, in writing, their names, along with the names of business representatives and/or officers of the Union who shall be authorized by the Union to investigate and present grievances. The Employer agrees to recognize such representatives, subject to the following:

Subd. 1. Number of Stewards

The Union may designate one (1), but no more than one (1), steward on each shift for each of the Employer's principal work areas from among those employees who work therein.

Subd. 2. Activities of Stewards

Designated and certified stewards shall be granted reasonable time off, with pay, in order to investigate and/or present grievances to the Employer during their normal working hours. Such stewards, however, shall not leave their work stations without first obtaining the permission of their immediate supervisor and shall notify their immediate supervisor upon returning to work. The permission of the supervisor shall not be denied without good cause. When the Parties agree that it is mutually beneficial to have an officer of the Union participate in

such presentation and/or investigation, such officer shall also be authorized time off with pay for this purpose. Stewards and other representatives of the Union shall not interfere in any way with the Employer's operation or with the performance of work by its employees. Nothing in this paragraph, however, shall be construed to limit the proper presentation of grievances provided for by this subdivision.

Section 1.05 - Visitation

With notice to an available supervisor at a worksite, non-employee representatives of the Union who have been certified to the Employer may come on the worksite for the purpose of investigating and presenting grievances. The Union agrees there shall be no solicitation for membership, signing up of members, collection of initiation fees, dues, fines or assessments, meetings or other Union activities on the Employer's time by such non-employee representatives, the Union's stewards or any officers of the Union.

Section 1.06 - Bulletin Boards

The Employer shall provide for the Union's use, reasonable space on designated bulletin boards for the purpose of posting official Union notices. Each posted notice shall bear the signature of the Union representative who has posted the notice and the date of the posting. Such person shall be required to remove the notice once it has served its purpose. The Union shall not post material of a political nature.

Section 1.07 - Union Membership

Employees have the right to join or to refrain from joining the Union. Neither the Employer nor the Union nor any of their respective agents or representatives shall discriminate against or interfere with the rights of employees to become or not become members of the Union, and further there shall be no discrimination or coercion against any employee because of Union membership or non-membership. The Union shall, in its responsibility as exclusive representative of the employees, represent all bargaining unit employees without discrimination, interference, restraint, or coercion.

ARTICLE 2 **MANAGEMENT RIGHTS**

The Union recognizes the right of the Employer to operate and manage its affairs in all respects in accordance with applicable laws and regulations of appropriate authorities. All rights and authority which the Employer has not officially abridged, delegated or modified by the express terms and provisions of this Agreement are retained by the Employer.

ARTICLE 3 **NO STRIKE - NO LOCKOUT**

Section 3.01 - No Strike

The Union, its officers or agents, or any of the employees covered by this Agreement shall not cause, instigate, encourage, condone, engage in, or cooperate in any strike, work slowdown, mass resignation, mass absenteeism,

the willful absence from one's position, the stoppage of work, or the abstinence in whole or in part of the full, faithful and proper performance of the duties of employment during the term of this Agreement.

Section 3.02 - No Lockout

The Employer agrees that neither it, its officers, agents nor representatives, individually or collectively, will authorize, institute or condone any lockout of employees during the term of this Agreement.

Section 3.03 - Violations by Employees

Any employee who violates any provision of this article may be subject to disciplinary action, including discharge.

ARTICLE 4 **SETTLEMENT OF DISPUTES**

Section 4.01 - Grievance Procedure

This grievance procedure has been established to resolve any specific dispute arising between the employee(s) covered by this Agreement and the Employer concerning, and limited to, the proper interpretation or application of the express terms and provisions of this Agreement. Such a dispute shall hereinafter be referred to as a *grievance* which shall be resolved in accordance with the provisions of this article. The Parties agree that this procedure is the sole and exclusive means of resolving all grievances arising under this Agreement. Grievances shall be resolved in the following manner:

Subd. 1. Step 1 (Informal)

Any employee who believes the provisions of this Agreement have been violated may discuss the matter with his/her immediate supervisor as designated by the Employer in an effort to avoid a grievance and/or resolve any dispute. While employees are encouraged to utilize the provisions of this subdivision nothing herein shall be construed as a limitation upon an employee or the employee's Union representative respecting the filing of grievances at Subd. 2 (Step 2) of the grievance procedure.

Subd. 2. Step 2 (Formal)

If the grievance has not been avoided and/or the dispute resolved by the operation of Step 1 and the employee or the Union wishes to file a formal grievance, the employee, or the employee's Union representative on behalf of the employee, shall file a written grievance which has been signed by the employee with the employee's department head or with his/her designee. The grievance must be filed within twenty-one (21) calendar days of the event which gave rise to the grievance or within fourteen (14) calendar days of the time the employee reasonably should have knowledge of the occurrence of the event, whichever is later. At the time the grievance is served upon the employee's department head, the Union shall provide the Employer's Director of Employee Services with an informational copy thereof.

The department head shall respond in writing to the Union, the employee and the Employer's Director of Employee Services within thirty (30) calendar days after receipt of the grievance.

Subd. 3. Step 3 (Notice of Intent to Arbitrate)

If the grievance has not been resolved by the department head's response at Step 2 and the Union intends to continue to pursue the grievance, the Union shall, within fourteen (14) calendar days after receipt of the department head's response, refer the grievance to arbitration by so notifying, in writing, the Employer's Director of Employee Services of its intent.

The Employer's Director of Employee Services or his/her designee and representatives of the Union shall meet within thirty (30) calendar days of the date the Union filed its *Notice of Intent to Arbitrate* in an attempt to resolve the grievance. If the Parties have not resolved the grievance within seven (7) calendar days after the date of such meeting, the Union may initiate the arbitration process as provided for in Section 4.02 of this article.

Section 4.02 - Selection of the Arbitrator

The Parties may mutually agree upon an Arbitrator to hear and decide the dispute. If, however, the Parties are unable to so agree, either of them may request the Bureau of Mediation Services, State of Minnesota to provide a list of nine (9) qualified arbitrators. The Employer and the Union shall alternately strike names from the list until only one (1) name remains; that of the selected Arbitrator. Unless the parties agree to the contrary, the party who strikes the first name from the list shall be determined by the flip of a coin. The Arbitrator shall be notified of his/her selection by either or both Parties who shall request that he/she set a time and a place for the arbitration hearing, subject to the availability of the Parties.

Section 4.03 - Authority of Arbitrator

The Arbitrator shall have no authority to amend, modify, nullify, ignore, add to or subtract from the provisions of this Agreement. He/she shall be limited to only the specific written grievance submitted by the Employer and the Union, and shall have no authority to make a decision on any other issue not so submitted. The Arbitrator shall submit a written decision, opinion and/or award within thirty (30) calendar days, following the close of the hearing or the submission of briefs by the Parties, whichever is later, unless the Parties agree to an extension thereof. The decision, opinion and/or award shall be based solely upon the arbitrator's interpretation of the meaning or application of the express terms of this Agreement as applied to the facts of the grievance presented. The decision of the Arbitrator shall be final and binding upon the Employer, the Union and the employees it represents.

Section 4.04 - Arbitration Expenses

The fees and expenses of the Arbitrator shall be divided equally between the Employer and the Union provided, however, that each Party shall be responsible for compensating its own representatives and witnesses. If either Party desires a verbatim record of the proceedings, it may cause such record to be made provided it pays for the record and provides a copy thereof to the other Party and to the Arbitrator.

Section 4.05 - Time Limits, Waiver and Automatic Advancement

The time limits established in this article may be extended by mutual written agreement between the Employer and the Union. If a grievance is not presented within the specified time limits, it shall be considered *waived*. If a grievance is not appealed to the next step within the specified time limits, it shall be considered resolved on the

basis of the last answer provided and there shall be no further appeal or review. In the event the Employer does not respond within the specified time limits, the grievance may advance, at the Union's request, to the next step.

Section 4.06 - Election of Remedy

Employees covered by Civil Service systems created under Chapter 43a, 44, 375, 387, 419, or 420, by a Home Rule Charter under Chapter 410, or by laws 1941, Chapter 423, may pursue a grievance through the procedure established under this section. When a grievance is also within the jurisdiction of appeals boards or appeals procedures created by Chapter 43a, 44, 375, 387, 419, or 420, by a Home Rule Charter under 410, or by laws 1941, Chapter 423, the employee may proceed through the grievance procedure or the Civil Service appeals procedure, but once a written grievance or appeal has been properly filed or submitted by the employee or on the employee's behalf with the employee's consent, the employee may not proceed in the alternative manner.

Nothing in this contract shall prevent an employee from pursuing both a grievance under this contract and a charge of discrimination brought under Title VII, The Americans with Disabilities Act, the Age Discrimination in Employment Act, or the Equal Pay Act.

ARTICLE 5 **EMPLOYEE DISCIPLINE AND DISCHARGE**

Section 5.01 - Just Cause

Disciplinary action may be imposed upon an employee who has satisfactorily completed the initial probationary period only for just cause. Discipline shall be imposed in a timely manner.

Section 5.02 - Progressive Discipline

Disciplinary action shall normally include only the following measures and, depending upon the seriousness of the offense and other relevant factors, shall normally be administered progressively in the following order:

Subd. 1. Reprimands, either oral or written;

Subd. 2. Suspension from duty without pay;

Subd. 3. Demotion in position and/or pay or discharge from employment.

If the Employer has reason to reprimand an employee, it shall normally not be done in the presence of other employees or the public.

Section 5.03 - Discharge Due Process

No *regular employee* (i.e., an employee who has satisfactorily completed the initial probationary period) shall be discharged without having been afforded an opportunity to hear the reason(s) for the discharge and without an opportunity to offer an explanation of the relevant facts and circumstances surrounding the events which preceded the discharge and/or any extenuating or mitigating circumstances which the employee believes is relevant to the discharge decision. Whenever possible and practical, such opportunities shall be provided in a

conference with the Employer which shall be conducted after advance notice to the employee and his/her Union representative who shall be permitted to attend the conference. If a conference is to be conducted, the involved employee(s) shall remain in pay status until the conference has been completed.

Section 5.04 - Appeals

Disciplinary actions within the meaning of this article, excluding oral reprimands, imposed upon an employee who has completed the initial probationary period, may be appealed through the grievance procedure outlined elsewhere in this Agreement. Grievances filed concerning suspensions, demotions and/or discharges may be initiated at Step 2 of such procedure. Such matters shall be handled in accordance with the provisions of the grievance procedure; and, if necessary, through the arbitration procedure.

Section 5.05 - Disciplinary Action Records

A written record of all disciplinary actions within the meaning of this article, excluding oral reprimands, shall be provided to the involved employee(s) and may be entered into the employee's personnel record. Investigations into conduct which do not result in disciplinary action, however, shall not be entered into the employee's personnel record. When a disciplinary action more severe than a written reprimand is imposed, the Employer shall notify the employee in writing of the specific reason(s) for such action at the time such action is taken and provide the Union with an informational copy. Written reprimands shall not be relied upon to form the basis for further disciplinary action after two (2) years following the date of the written reprimand.

Section 5.06 - Disciplined Employee's Response

Any employee who is disciplined by written reprimand, suspension, demotion or discharge (and/or such employee's Union representative) shall be entitled to have a written response, if any, included in their personnel record, if filed with the Employer within twenty (20) calendar days of the issuance thereof.

Section 5.07 - Union Representation

All employees shall have the right to request their Union representative at any conference concerning a grievance, investigation or a complaint involving the performance or employment status of the employee. If the conference may involve discipline, The Employer shall inform the employee such that the employee may secure Union representation.

City seniority is defined as the length of uninterrupted employment with the Employer and based on the date of the employee's first day of employment as a City employee.

Subd. 2. Classification Seniority Defined

Classification seniority is defined as the length of employment within a job classification and based on the date the employee began working in that classification on a permanent basis.

Section 6.03 - Loss of Seniority

An employee's seniority shall be lost and his/her employment shall be terminated upon the occurrence of any of the following:

Subd. 1. He/she quits or retires and does not rescind such action within five (5) calendar days;

Subd. 2. He/she is discharged and the discharge is not reversed;

Subd. 3. He/she has been laid off and not actively working for the Employer for a period of three (3) years.

ARTICLE 7 **FILLING VACANT POSITIONS**

Section 7.01 - General Provisions

The Parties agree that the following provisions respecting the filling of vacant bargaining unit positions shall be applicable in addition to other Employer-promulgated procedures to the extent that such procedures do not conflict with the provisions herein. The provisions herein shall become effective on January 1, 2000 and shall be applicable to all Job Postings conducted for the purpose of filling vacant bargaining unit positions. The provisions of the previous Agreement between the Parties shall be applicable to the administration of all Job Postings conducted prior to January 1, 1998 and to all Requisition Lists then in effect.

Section 7.02 - Job Postings and Applications

Subd. 1. Job Postings

Job Postings, when offered, shall be posted for a period of not less than five (5) calendar days. The Job Posting shall set forth the title, salary, nature of work to be performed, minimum qualifications, the place and manner of making applications and the closing date applications will be received. The Employer may establish a definite or an indefinite closing date for the filing of applications. If the Employer has established an indefinite closing date, it must notify employees of any fixed closing date, later determined, by a posting adjacent to the originally posted Job Posting. An applicant's eligibility for promotion begins on the date their name was added to a Requisition List. Job Postings for newly created positions and/or for positions for which the title, salary, nature of work to be performed and/or minimum qualifications are materially different from the Job Postings previously used, shall not be finalized by the Employer until the affected Union representative has had an opportunity to review the proposed Job Posting and provide the Union's input into the Job Posting development process. A copy of the Job Posting in its final form shall be furnished to the Union concurrent with its posting.

Subd. 2. Stated Qualifications

The minimum qualifications set forth in the Job Posting shall be related to the job duties of the involved position and shall include applicable education, training, experience, skills and abilities required. Such minimum qualifications shall not, however, include artificial and/or irrelevant time-in-grade, promotional line and/or grade level requirements.

Subd. 3. Application for Promotion

Employees who have successfully completed their initial probationary period may make application for any Job Posting provided they meet the minimum, stated qualifications for the involved position; provided, however, that employees who have failed a promotional probationary period in a classification shall not be permitted to take an examination for promotion to that classification within twelve (12) months of the date of such failure.

Subd. 4. Job Postings

The Employer may, in its discretion, conduct an *open* and/or *promotional* Job Posting. The Employer may advertise an open position internally and externally simultaneously. For purposes of this article, applicants from the Minneapolis Library Board, the Minneapolis Board of Education and the Minneapolis Park and Recreation Board shall be considered as "outside" applicants.

Section 7.03 - Examination of Qualified Applicants

Subd. 1. Examination Times

When an employee is scheduled to take a Minneapolis Civil Service promotional examination during his or her regular scheduled hours of duty, the Employer shall grant time off to take the examination.

Subd. 2. Examination Scores

One hundred percent (100%) of the total examination score shall be based upon the results of each applicant's test score(s). Such tests shall be developed by the Employer and may consist of more than one component.

Section 7.04 - Eligible and Requisition Lists

Subd. 1. Passing Score

Each applicant whose 1) total examination score and 2) individual test score(s) equals or exceeds seventy (70) points shall be considered to have passed the examination.

Subd. 2. Requisition List – Job Postings

The names of those applicants who have passed an examination shall be placed on a Requisition List in descending order of their total examination scores in addition to any Veteran's Preference points, if applicable. In the event two (2) or more eligibles hold identical total examination scores, their names shall be placed on the Requisition List in random order; however, the names of veterans shall always be placed over the names of non-veterans who hold identical scores.

Subd. 3. List Expiration

The staffing division of the Human Resources Department shall inform applicants of the length of their eligibility by stating it on the job posting and/or by letter.

Section 7.05 - Selection of Certified Eligibles

Any or all of the eligibles on a list of eligibles may be certified to the appointing authority for selection. In the event an open examination is conducted, at least the top three (3) internal applicants who pass the examination shall be certified for interview. Any of the eligibles certified to the appointing authority may be selected to fill the vacant position. The name of the eligible selected shall be removed from the Requisition List.

Section 7.06 - Probationary Periods

An eligible selected to fill a vacant position shall serve an initial or promotional probationary period as applicable. All probationary periods shall be twelve (12) months in duration. As a condition of passing probation, a new employee must attain certification and or license in their trade area and where trade competency applies, receive a competency card. Certification will be based on state codes in effect and recognized by the State of Minnesota. The Employer shall select a certifying agency and provide the textbooks and/or needed training to assist the employee to pass the certification examination. While in certain instances there may be more than one certifying agency, the Employer shall only be responsible for the expenses associated with books and/or training associated with the Employer's selection. However, the Employer shall accept certification from any nationally recognized certifying agency. The Employer shall pay the actual examination fee for all employees.

An employee may be removed from the position at the discretion of the appointing authority. Such removal shall not be subject to the grievance/arbitration provisions of this Agreement. Removal during an employee's initial probationary period shall result in termination of employment. An employee removed during a promotional probationary period, however, shall have the right to return to a vacant position in his/her previous classification or, if none is available, to his/her previous position. For purposes of this section twelve (12) months shall be deemed to be two thousand eighty (2080) hours of work. Time spent in temporary duty in the position immediately preceding the appointment shall count toward satisfaction of the probationary period, benefits eligibility (without retroactivity), and pay progression requirements.

Section 7.07 - Job Reevaluation and Reclassification

When a position is reclassified as a result of gradual changes over a period of time in the kind, responsibility, or difficulty of the work performed in the position, no vacancy shall be deemed to have been created. Upon reclassification, the incumbent employee shall be appointed to the reclassified position. The provisions of this section shall apply only to the incumbent employee who has been permanently certified to the involved position. The effective date of the reclassification for pay and seniority purposes shall be the date upon which the involved employee submitted a properly completed request for reclassification to the Employer's Human Resources Department with a copy to the involved Department Head or Manager.

Section 7.08 - Lateral Transfers

Employees may request to be transferred to a vacant position within their classification in another department and may be transferred pursuant to such request with the written approval of their division head, the involved appointing authority and the Employer's Director of Employee Services. Such transferred employees shall serve a three (3) month probationary period in the new position. If removed by the appointing authority during the probationary period, the involved employee shall be reassigned to a vacant position within the classification or, if none is available, to their previous position.

Section 7.09 - Permits and Details

The Employer may select employees for temporary duty in other classifications and/or positions (*details*) and/or utilize temporary employees (*permits*) for periods not to exceed the length of an incumbent employee's absence or six (6) consecutive calendar months, whichever is longer. Such limitations shall not be exceeded except by the express written mutual agreement between the Parties.

ARTICLE 8 **LAYOFF AND RECALL FROM LAYOFF**

Section 8.01 - Layoffs and Bumping

Whenever any permanent position is to be abolished or it becomes necessary because of lack of funds, lack of work to reduce the number of employees in the classified service in any department, the department head shall immediately report such pending layoffs to the City Coordinator or his/her designated representative. The status of involved employees shall be determined by the following provisions and the involved employees will be notified.

Subd. 1. General Order of Layoff

Within the affected division and classification, layoffs shall be made in the following manner:

- a. Permit employees within the division shall be first laid off;
- b. Temporary employees within the division (those certified to temporary positions) shall next be laid off;
- c. Persons appointed to permanent positions within the division shall then be laid off.

Subd. 2. Layoff Based on Classification Seniority

The employee first laid off shall be the employee within the affected Division who has the least amount of classification seniority in the classification in which reductions are to be made. Provided, however, employees retained must be deemed qualified to perform the required work and employees who possess unique skills or qualifications which would otherwise be denied the Employer may be retained regardless of their relative seniority standing. The temporary release of a *permanent intermittent* employee (i.e., one who is regularly employed on a seasonal, periodic or other recurring basis during the year) shall not be regarded as a *layoff* within the meaning of this article.

Subd. 3. Bumping

Employees who are laid off shall have their names placed on a layoff list for their classification. Such employees who have at least two (2) years of City seniority shall have the right to displace (*bump*) the employee of lesser City seniority who was last certified to progressively lower paid classifications previously held permanently (i.e., one in which the probationary period was satisfactorily completed) by the laid off employee, in which job performance was deemed by the Employer to be satisfactory, which is lower than the original classification of the laid off employee and which is within the affected Division. In all cases, however, the bumping employee must meet the current minimum qualifications of the claimed position and must be qualified to perform the required work.

Section 8.02 - Notice of Layoff

The Employer shall make every reasonable effort under the circumstances to provide affected employees with at least fourteen (14) calendar days notice prior to the contemplated effective date of a layoff.

Section 8.03 - Recall from Layoff

An employee in the classified service who has been laid off may be re-employed without examination in a vacant position of the same class within the same division within three (3) years of the effective date of the layoff. Failure to receive an appointment within three (3) years will result in the eligible's name being removed from the list.

Section 8.04 - Application and Scope

For purposes of this article, bargaining unit employees may displace (bump) non-bargaining unit employees. Further, non-bargaining unit employees shall be permitted to displace bargaining unit employees. Specifically, the provisions of this article respecting layoff, bumping and recall, shall be applicable to those employees excluded from the bargaining unit by virtue of their supervisory or confidential status.

Section 8.05 - Exceptions

The following exceptions may be observed:

Subd. 1. Mutual Agreement

If the Employer and the Union agree upon a basis for layoff and reemployment in a certain position or group of positions and such agreement is approved by the City Coordinator or his/hers designated representative, employees will be laid off and re-employed upon that basis.

Subd. 2. Emergency Retention

Regardless of the priority of layoff, an employee may be retained on an emergency basis for up to fourteen (14) calendar days longer to complete an assignment.

ARTICLE 9 **WAGES AND PAYROLLS**

Section 9.01 - Classifications and Rates of Pay

Subd. 1. General

All positions covered by this Agreement shall be classified by the Employer and the minimum, maximum and intervening salary rates for such classification shall be those shown in Appendix "A" to this Agreement.

Subd. 2. Job Classification System

The Minneapolis Civil Service Commission (*MCSC*) shall administer the Employer's job classification system in accordance with the following criteria:

- a. The job classification evaluative process shall be based upon professionally developed standards equally applied to all positions without bias.
- b. Job classes shall be established which group positions that have identical or similar primary duties. Within each classification, the nature of the work shall be significantly different from other job classes.
- c. Positions shall be classified based upon their job-related contributions and/or assessed value to the Employer's functions.
- d. New positions shall be evaluated and placed into job classes based upon a comparison of the similarity of the assigned duties to other positions in the job class. New positions shall be placed into existing

job classes unless the duties or conditions of employment are found to be substantially different from other existing classes in the classified service.

e. The MCSC shall maintain appropriate records relating to classification studies and actions, and shall maintain a written class specification for each job class in the classified service describing typical duties and responsibilities of positions in the job class.

f. The MCSC, in coordination with the Employer's Affirmative Action Program, shall assign appropriate Federal Job Category (*FJC*) designations to each job class.

Disputes respecting the classification of jobs within any bargaining unit shall be directed to the MCSC for review and final action. No dispute respecting the classification of jobs shall be subject to the grievance/arbitration provisions of this Agreement. In the event, either by law or otherwise, the MCSC loses its legal authority to administer the Employer's job classification system during the life of this Agreement, the provisions of this section shall be null and void and the Parties shall meet and negotiate with one another, at the request of either of them, over an appeal procedure or other job classification dispute resolution process.

Section 9.02 - Pay Progressions

All employees shall be eligible to be considered for advancement to the next higher step within the pay range for their classification, if applicable, upon the completion of each twelve (12) months of *actual paid service* (i.e., 2080 compensated hours) in such classification. Such increases may be withheld or delayed in cases where the employee's job performance has been of a less than satisfactory level in which case the employee shall be notified that the increase is being withheld or delayed and of the specific reasons therefore. All such denials or delays shall be grievable under the provisions of Article 4 of this Agreement. All increases approved pursuant to this section shall be made effective on the first day of the pay period, which includes the date of eligibility.

Section 9.03 - Advances and Transfers

Subd. 1. Pay Upon Promotion

The salary of an employee who advances from one grade to a higher grade shall be the increment nearest the employee's salary in the lower classification plus 5%. The employee shall be advanced thereafter in accordance with Section 9.02 (*Pay Progressions*) of this article. The provisions of this subdivision shall also be applicable whenever an employee is detailed to perform all or substantially all of the duties of a higher-paid classification. However, a detailed employee will only receive advancement to a higher step based upon their permanently certified title. An employee who voluntarily demotes to their previously held position within twelve (12) calendar months following promotion shall be returned to the same pay step which was applicable immediately prior to the promotion.

Subd. 2. Pay Upon Transfer

When an employee attains a position in another classification which provides for an identical pay progression schedule he/she shall retain the same pay step as was applicable in his/her previous position and the employee shall retain the same anniversary date for future pay increase effective dates.

Subd. 3. Pay Upon Demotion

The salary of an employee who voluntarily demotes shall be the salary step on which the employee would have been if they had remained in the position.

The salary of an employee who is demoted for disciplinary reasons from one classification to another which provides for a lower maximum salary, shall be the same step which the employee had before the demotion; however, the employee shall not be placed on a step which provides for a lower salary than the employee had prior to the promotion. Thereafter, the employee shall increase in accordance with Section 9.02 of this article.

Section 9.04 - Payrolls and Paydays

All payrolls shall be calculated on a biweekly basis and employees shall normally be paid every other Friday.

Section 9.05 - Benefits Calculations and Accruals

For purposes of benefit plan administration, all compensated hours (exclusive of overtime hours and workers' compensation, unemployment compensation or similar insured compensation payments) shall be considered *hours worked* for all benefit accruals provided for by this Agreement. Benefit accruals shall be based upon a proportionate number of straight time compensated hours only.

ARTICLE 10 **HOURS OF WORK AND OVERTIME**

Section 10.01 - Work Day and Work Week Defined

The normal work day shall be eight (8) hours of work between the hours of 6:30 am and 5:00 pm and the normal work week, regardless of shift arrangements, shall be forty (40) hours of work. Nothing herein shall be construed as a guarantee of hours of work per day or per week. There shall be no split shifts and days off shall be scheduled consecutively when reasonably practicable.

Subd. 2. Departures From the Normal Work Schedule

Should it be necessary for the department to temporarily establish work schedules departing from the normal work schedule, notice of such change shall be given to the employee eight (8) hours in advance when practicable.

Section 10.03 - Overtime

Subd. 1. Overtime Work and Pay

Employees may be required to work a reasonable amount of overtime as assigned by the Employer. All overtime work must be approved in advance. When authorized by departmental policy and approved in advance by an eligible employee's supervisor, compensatory time may be granted to employees in lieu of overtime pay. In no case shall overtime pay or compensatory time be granted to employees in grades twelve (12) and above.

Overtime pay or compensatory time shall be granted to employees at the rate of one and one-half (1½) times their regular hourly rate of pay for all time worked in excess of eight (8) hours per day or for all time worked in excess of forty (40) hours per week and at the rate of two (2) times their regular hourly rate of pay for all time worked on the seventh (7th) consecutive day of work. Compressed work week arrangements, voluntarily agreed upon by employees and their supervisors, shall be exempt from the daily overtime provisions of this paragraph.

A maximum of fifty (50) hours of compensatory time may be accumulated unless the City Council has authorized up to one hundred twenty (120) hours for employees assigned to work on a special project basis or has authorized pay for compensatory time on a special project basis when funds are available for such purposes. Compensatory time, when used, must be scheduled and approved in advance in the same manner as the scheduling and approval of vacation under this Agreement.

There shall be no duplication or pyramiding of overtime and/or premium rates of pay under the provisions of this Agreement. Compensation shall not be paid more than once for the same hours under any provisions of this Agreement.

Section 10.04 - Inclement Weather

The Employer may temporarily suspend all or a portion of its normal operation in response to inclement weather or other emergency conditions. Official closure announcements shall be made by the Employer through internal means and, where appropriate or necessary, be broadcast by WCCO-AM radio (830 kHz) and/or other suitable public media. Credit may be granted on a year-for-year ratio up to a maximum of twenty-one (21) days of vacation per year. Employees granted vacation accrual credit under this section shall be required to complete the requisite years of continuous City service, as set forth in Section 11.04 – Vacation Benefit Levels, before advancing to the next level of vacation accrual eligibility.

Section 11.02 - Eligibility: Full-Time Employees

Vacations with pay shall be granted to permanently certified employees who work one-half (½) time or more and who have completed six (6) months of continuous service. Vacation time will be determined on the basis of continuous years of service, including time in an unclassified position immediately preceding appointment or reappointment to a classified position. For purposes of this article, *continuous years of service* shall be determined in accordance with the following:

Subd. 1. Credit During Authorized Leaves of Absence

Time on authorized leave of absence without pay, except to serve in an unclassified position, shall not be credited toward years of service, but neither shall it be considered to interrupt the periods of employment before and after leave of absence, provided an employee has accepted employment to the first available position upon expiration of the authorized leave of absence.

Subd. 2. Credit During Involuntary Layoffs

Employees who have been involuntarily laid off shall be considered to have been continuously employed if they accept employment to the first available position. Any absence of twelve (12) consecutive months will not be counted towards years of service for vacation entitlement.

Subd. 3. Credit During Periods on Disability Pension

Upon return to work, employees shall be credited for time served on workers' compensation (those returning to active employment after January 1, 1995) or disability pension as the result of disability incurred on the job. Such time shall be used for the purpose of determining the amount of vacation to which they are entitled each year thereafter.

Subd. 4. Credit During Military Leaves of Absence

Employees returning from approved military leaves of absence shall be entitled to vacation credit as provided in applicable Minnesota statutes.

Section 11.03 - Eligibility: Intermittent and Part-Time Employees

The following shall be applicable to the accrual and usage of accrued vacation benefits:

Subd. 1. Accruals and Maximum Accruals

Benefits may be cumulative up to and including fifty (50) days. Accrued benefits in excess of fifty (50) days shall not be recorded and shall be considered lost.

Subd. 2. Negative Accruals Permitted

Employees certified to permanent positions prior to January 1, 1973 shall be allowed to accrue a negative balance in their vacation account. Such amount shall not exceed the anticipated earnings for the immediately succeeding twelve (12) month period. The anniversary date for increase in such employee's vacation allowance shall be January 1, of the year in which the employee's benefit level is changed. Employees separating from the service will be required to refund vacation used in excess of accrual at the time of separation, if any.

Subd. 3. Negative Accruals Limited

Employees hired after January 1, 1973 shall be allowed to accrue a maximum negative balance in their vacation account of up to eighty (80) hours. The value of any existing negative balance shall be deducted from final pay due at their termination of employment. The anniversary date for increase in such employee's vacation allowance shall be the beginning of the work day immediately following the completion of the appropriate number of years of continuous service.

Subd. 4. Vacation Usage and Charges Against Accruals

Vacation shall begin on the first working day an employee is absent from duty. When said vacation includes a holiday, the holiday will not be considered as one of the vacation days.

Section 11.06 - Vacation Pay Rates

Section 11.07 - Scheduling Vacations

Vacations are to be scheduled in advance and taken at such reasonable times as approved by the employee's department with particular regard to the needs of the Employer, seniority of employee, and, insofar as practicable, with regard to the wishes of the employee. The employee must notify the Employer at least ten (10) calendar days in advance of the religious holiday of his/her intent to observe such holiday. The Employer may waive this ten (10) calendar day requirement if the Employer determines that absence of such employee will not substantially interfere with its operation.

Subd. 5. Family and Medical Leaves

a. General. Pursuant to the provisions of the federal *Family and Medical Leave Act of 1993* and the regulations promulgated there under which shall govern employee rights and obligations as to family and medical leaves wherever they may conflict with the provisions of this subdivision, leaves of absence of up to twelve (12) weeks in any twelve (12) months will be granted to eligible employees who request them for the following reasons:

- (i) for purposes associated with the birth or adoption of a child or the placement of a child with the employee for foster care,
- (ii) when they are unable to perform the functions of their positions because of temporary sickness or disability, and/or
- (iii) when they must care for their parent, spouse, *registered domestic partner* within the meaning of Minneapolis *Code of Ordinances* Chapter 142, child, or other dependents and/or members of their households who have a serious medical condition.
- (iv) for any qualifying exigency arising out of the fact that the employee's spouse, registered domestic partner, son, daughter, or parent is a covered military member on active duty or has been notified of an impending call or order to active duty in support of a contingency operation as either a member of the National Guard or Military Reserves or a retired member of the regular armed forces or reserves.

Leaves of absence of up to twenty six (26) weeks in any twelve (12) months will be granted to eligible employees who request them for the following reasons:

- (v) for the care of a covered service member who is a current member of the Regular Armed Forces, National Guard, or Reserves who has incurred an injury or illness in the line of duty while on active duty, provided that such injury or illness renders the service member medically unfit to perform the duties of his/her office, grade, rank, or rating. To qualify the employee must be the spouse, registered domestic partner, son, daughter, parent or next of kin of the service member.

Unless an employee elects to use accumulated paid leave benefits while on family and medical leaves (see paragraph "f", below), such leaves are without pay. The Employee's group health, dental and life insurance benefits shall, however, be continued on the same basis as if the employee had not taken the leave.

b. Eligibility - Employees are eligible for family and medical leaves if they have accumulated at least twelve (12) months employment service preceding the request for the leave and they must have worked at least six (6) months during the twelve (12) month period immediately preceding the leave. Eligible spouses or registered domestic partners who both work for the Employer will be granted a combined twelve (12) weeks of leave in any twelve (12) months when such leaves are for the purposes referenced in clauses (i) and (iii) above.

c. Notice Required - Employees must give thirty (30) calendar days notice of the need for the leave if the need is foreseeable. If the need for the leave is not foreseeable, notice must be given as soon as it is practicable to do so. Employees must confirm their verbal notices for family and medical leaves in writing. Notification requirements may be waived by the Employer for good cause shown.

d. Intermittent Leave - If medically necessary due to the serious medical condition of the employee, or that of the employee's spouse, child, parent, *registered domestic partner* within the meaning of Minneapolis *Code of Ordinances* Chapter 142, or other dependents and/or members of their households who have a serious medical condition, leave may be taken on an intermittent schedule. In cases of the birth, adoption or foster placement of a child, family and medical leave may be taken intermittently only when expressly approved by the Employer.

e. Medical Certification. The Employer may require certification from an attending health care provider on a form it provides. The Employer may also request second medical opinions provided it pays the full cost required.

f. Relationship Between Leave and Accrued Paid Leave - Employees may use accrued vacation, sick leave or compensatory time while on leave. The use of such paid leave benefits will not affect the maximum allowable duration of leaves under this subdivision.

g. Reinstatement - Upon the expiration of family and medical leaves, employees will be returned to an equivalent position within their former job classification. Additional leaves of absence without pay described elsewhere in this Agreement may be granted by the Employer within its reasonable discretion, but reinstatement after any additional leave of absence without pay which may have been granted by the Employer in conjunction with family and medical leaves, is subject to the limitations set forth in Section 13.03 (*Leaves of Absence Governed by this Agreement*) of the Agreement.

Section 13.03 - Leaves of Absence Governed by this Agreement

Employees may be granted leaves of absence for reasonable periods of time provided the requests for such leaves are consistent with the provisions of this section. Employees on leave in excess of six (6) months will, at the expiration of the leave, be placed on an appropriate layoff list for their classification if no vacancies exist in their classification. Employees on leave of less than six (6) months will, at the expiration of the leave, return to their departments in positions within their classification. Leaves of absence under this section may be granted for the following purposes:

Subd. 6. For personal convenience not to exceed twelve (12) calendar months;

Subd. 7. A leave of absence without pay of ninety (90) calendar days per calendar year or less if approved by the Employer for the purpose of reducing the Employer's operating budget. Such employees shall be credited with seniority, vacation, group health/life insurance benefits and sick leave benefits as if they had actually worked the hours. Employees are eligible for such leaves whether or not they have accumulated vacation benefits available at the time such leaves are requested or taken.

Leaves of absence with pay may be granted to permanent employees under the provisions of this article when approved in advance by the Employer prior to the commencement of the leave.

Such employees, so compensated, shall not be

eligible to retain jury duty pay or witness fees and shall turn any such pay or fees received over to the Employer. If an employee is excused from jury duty prior to the end of the normal work day, he/she shall return to work if reasonably practicable or make arrangements for a leave of absence without pay. For purposes of this section, such employees shall be considered to be working normal day shift hours for the duration of their jury duty leave.

Any absence, whether voluntary or by legal order to appear or testify in private litigation, not in the status of an employee but as a plaintiff or defendant, shall not qualify for leave under this section. Such absences shall be charged against accumulated vacation, compensatory time or be without pay.

Section 14.04 - Military Leave

Pursuant to applicable Minnesota statutes, employees who are qualified under the Statute are entitled to leaves of absence with pay during periods not to exceed fifteen (15) working days in any calendar year to fulfill service obligations.

Section 14.07 - Bone Marrow Donor Leave

Pursuant to applicable Minnesota statutes, employees who work twenty (20) or more hours per week shall, upon advance notification to their immediate supervisor and approval by the Employer, be granted a paid leave of absence at the time they undergo medical procedures to donate bone marrow. At the time such employees request the leave, they shall provide to their immediate supervisor written verification by a physician of the purpose and length of the required leave. The combined length of leaves for this purpose may not exceed forty (40) hours unless agreed to by the Employer in its sole discretion.

ARTICLE 15 **SICK LEAVE**

Subd. 1. Ocular and Dental

Necessary ocular and dental care of the employee shall be recognized as a proper cause for granting sick leave.

Subd. 2. Chemical Dependency

Alcoholism and drug addiction shall be recognized as an illness. However, sick leave pay for treatment of such illness shall be contingent upon two conditions: 1) the employee must undergo a prescribed period of hospitalization or institutionalization, and 2) the employee, during or following the above care, must participate in a planned program of treatment and rehabilitation approved by the Employer in consultation with the Employer's health care provider.

Subd. 3. Chiropractic and Podiatrist Care

Absences during which ailments were treated by chiropractors or podiatrists shall constitute sick leave.

Subd. 4. Illness or Injury in the Immediate Family

Employees may utilize accumulated sick leave benefits for reasonable periods of time when their absence from work is made necessary by the illness or injury of their dependent child ("child" shall include the employee's biological, step, adopted, or foster child under 18 years of age, or under 20 years of age if still attending secondary school), and up to 160 hours in a rolling 12 month period when their absence from work is made necessary by the illness or injury of their spouse, *registered domestic partner* within the meaning of Minneapolis *Code or Ordinances* Chapter 142, parents, sibling, adult child, grandparent, stepparent, guardian or ward.. The utilization of sick leave benefits under the provisions of this subparagraph shall be administered under the same terms as if such benefits were utilized in connection with the employee's own illness or injury. Additional time off without pay, or vacation, if available and requested in advance, shall be granted as may reasonably be required under individual demonstrated circumstances. Nothing in this subdivision limits the rights of employees under the provisions of Section 13.02, Subd. 5 (*Family and Medical Leaves*) of this Agreement.

Section 15.03 - Eligibility, Accrual and Calculation of Sick Leave

If permanently certified employees who have completed six (6) months of continuous service and who regularly work more than twenty (20) hours per week, are absent due to illness, such absences shall be charged against their accumulated accrual of sick leave. Sick leave pay benefits shall be accrued by eligible employees at the rate of twelve (12) days per calendar year worked and shall be calculated on a direct proportion basis for all hours of credited work time other than overtime.

Section 15.04 - Sick Leave Bank - Accrual

All earned sick leave shall be credited to the employee's sick leave *bank* for use as needed. Twelve (12) days of medically unverified sick leave may be allowed each calendar year. However, the Employer may require medical verification in cases of suspected fraudulent sick leave claims, including where the employee's use of sick leave appears systematic or patterned. Five (5) or more consecutive days of sick leave shall require an appropriate health care provider in attendance and verification of such attendance. The term *in attendance* shall include telephonically-prescribed courses of treatment by a physician which are confirmed by a prescription or a written statement issued by the physician.

Section 15.05 - Interrupted Sick Leave

Permanently certified employees with six (6) months of continuous service who have been certified or re-certified to a permanent position shall, after layoff or disability retirement, be granted sick leave accruals consistent with the provisions of this article. Employees returning from military leave shall be entitled to sick leave accruals as provided by applicable Minnesota statute.

Section 15.06 - Sick Leave Termination

No sick leave shall be granted an employee who is not on the active payroll or who is not available for scheduled work. Layoff of an employee on sick leave shall terminate the employee's sick leave.

Employees who have been suspended for disciplinary purposes shall not be granted sick leave accruals or benefits for such period(s) of suspension.

Section 15.08 - Employees on Leave of Absence Without Pay

An employee who has been granted a leave of absence without pay, except a military leave, shall not be granted sick leave accruals or benefits for such periods of leave of absence without pay.

Section 15.09 - Workers' Compensation and Sick Leave

Employees in the classified service shall have the option of using available sick leave accruals, vacation accruals, or of receiving workers' compensation (if qualified under the provisions of the *Minnesota Workers' Compensation Statute*) where sickness or injury was incurred in the line of duty. If sick leave or vacation is used, payments of full salary shall include the workers' compensation to which the employees are entitled under the applicable statute, and the employees shall receipt for such compensation payments. If sick leave or vacation is used, the employees' sick leave or vacation credits shall be charged only for the number of days represented by the amount paid to them in excess of the workers' compensation payments to which they are entitled under the applicable statute. If an employee is required to reimburse the Employer for the compensation payments thus received, by reason of the employee's settlement with a third party, his/her sick leave or vacation will be reinstated for the number of days which the reimbursement equals in terms of salary. In calculating the number of days, periods of one-half ($\frac{1}{2}$) day or more shall be considered as one (1) day and periods of less than one-half ($\frac{1}{2}$) day shall be disregarded.

Section 15.10 - Notification Required

Employees shall be required to notify their immediate supervisor as soon as possible of any occurrence within the scope of this article which prevents work. If the Employer has provided pre-work shift contact arrangements, employees shall be required to provide such notification no later than one (1) hour before the start of the work shift. If no such arrangements have been made, employees shall be required to provide such notification as soon as possible but in no event later than one-half (½) hour after the start of the shift.

The employee shall deliver the election form to the Employer on or before December 31. Such election is irrevocable. Therefore, once an Eligible Employee transmits his/her election form to the Employer, the employee may not revoke the decision to receive cash payment for sick leave or change the amount of sick leave for which payment is to be made. - (d) Adjustment of Sick Leave Bank. The number of hours for which payment is made shall be deducted from the Eligible Employee's sick leave bank at the time payment is made.
- (e) Deferred Compensation. Employees, at their sole option, may authorize and direct the Employer to deposit sick leave credit pay under paragraph (c) to a deferred compensation plan or other tax qualified plan administered by the Employer provided such option is exercised at the same annual time as regular changes in deferred compensation payroll deductions are normally permitted.

- (d) Effective March 1, 2005 and thereafter, 100% of the amount payable under this Section shall be deposited into the Health Care Savings Account (MSRS). This deposit shall occur within thirty (30) days of the date of separation .
- (e) If an employee entitled to payment under this Section dies prior to receiving the full amount of such benefit, the payment shall be made to the beneficiary entitled to the proceeds of his or her Minneapolis group life insurance policy or to the employee's estate if no beneficiary is listed.

ATTACHMENT "A"

LETTER OF AGREEMENT Reasonable Suspicion Drug and Alcohol Testing

1. **PURPOSE STATEMENT** - Abuse of drugs and alcohol is a nationwide problem. It affects persons of every age, race, sex and ethnic group. It poses risks to the health and safety of employees of the City of Minneapolis and to the public. To reduce those risks, the City has adopted this LOA concerning drugs and alcohol in the workplace. This LOA establishes standards concerning drugs and alcohol which all employees must meet and it establishes a testing procedure to ensure that those standards are met.

This drug and alcohol testing LOA is intended to conform to the provisions of the Minnesota *Drug and Alcohol Testing in the Workplace Act* (Minnesota Statutes §181.950 through 181.957), as well as the requirements of the federal *Drug-Free Workplace Act of 1988* (Public Law 100-690, Title V, Subtitle D) and related federal regulations. Nothing in this LOA shall be construed as a limitation upon the Employer's obligation to comply with federal law and regulations regarding drug and alcohol testing.

The Human Resources Director is directed to develop and maintain procedures for the implementation and ongoing maintenance of this LOA and to establish training on this LOA and applicable law.

2. **WORK RULES**

- A. No employee shall be under the influence of any drug or alcohol while the employee is working or while the employee is on the Employer's premises or operating the Employer's vehicle, machinery, or equipment, except pursuant to a legitimate medical reason or when approved by the Employer as a proper law enforcement activity.
- B. No employee shall use, possess, sell or transfer drugs, alcohol or drug paraphernalia while the employee is working or while the employee is on the Employer's premises or operating the Employer's vehicle, machinery or equipment, except pursuant to a legitimate medical reason, as determined by the Medical Review Officer, or when approved by the Employer as a proper law enforcement activity.
- C. No employee, while on duty, shall engage or attempt to engage or conspire to engage in conduct which would violate any law or ordinance concerning drugs or alcohol, regardless of whether a criminal conviction results from the conduct.
- D. As a condition of employment, no employee shall engage in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in the Employer's workplace.
- E. As a condition of employment, every employee must notify the Employer of any criminal drug statute conviction no later than five (5) days after such conviction.
- F. Any employee who receives a criminal drug statute conviction, if not discharged from employment, must within thirty (30) days satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state or local health, law enforcement, or other appropriate agency.

- G. The Employer shall notify the granting agency within ten (10) days after receiving notice of a criminal drug statute conviction from an employee or otherwise receiving actual notice of such conviction.

3. PERSONS SUBJECT TO TESTING

Unless otherwise specified, all employees are subject to testing under applicable sections of this LOA. However, no person will be tested for drugs or alcohol under this LOA without the person's consent. The Employer can request or require an individual to undergo drug or alcohol testing **only under the circumstances described in this LOA.**

4. CIRCUMSTANCES FOR DRUG OR ALCOHOL TESTING

- A. **Reasonable Suspicion Testing.** The Employer may, but does not have a legal duty to, request or require an employee to undergo drug and alcohol testing if the Employer or any supervisor of the employee has a reasonable suspicion (a belief based on specific facts and rational inferences drawn from those facts) related to the performance of the job that the employee:
 - 1. Is under the influence of drugs or alcohol while the employee is working or while the employee is on the Employer's premises or operating the Employer's vehicle, machinery, or equipment; or
 - 2. Has used, possessed, sold, purchased or transferred drugs, alcohol or drug paraphernalia while the employee was working or while the employee was on the Employer's premises or operating the Employer's vehicle, machinery or equipment; or
 - 3. Has sustained a personal injury as that term is defined in *Minnesota Statutes* §176.011, Subd. 16, or has caused another person to die or sustain a personal injury; or
 - 4. Was operating or helping to operate machinery, equipment, or vehicles involved in a work-related accident resulting in property damage or personal injury and the Employer or investigating supervisor has a reasonable suspicion that the cause of the accident may be related to the use of drugs or alcohol.

Whenever it is possible and practical to do so, more than one Agent of the Employer shall be involved in reasonable suspicion determinations under this LOA.

- B. **Treatment Program Testing** – The employer may request or require an employee to submit to drug and alcohol testing if the employee is referred for chemical dependency treatment by reason of having a positive test result under this LOA or is participating in a chemical dependency treatment program under an employee benefit plan. In such case, the employee may be required to submit to drug or alcohol testing without prior notice during the evaluation or treatment period and for a period of up to two years following notification that he/she will be subjected to Treatment Program Testing.
- C. **Unannounced Testing by Agreement.** The employer may request or require an employee to submit to drug and alcohol testing without prior notice on terms and conditions established by a written “last-chance” agreement between the Employer and employee’s collective bargaining representative.

D. Testing Pursuant to Federal Law. The employer may request or require an employee to submit to testing as may be necessary to comply with federal law and regulations. It is the intent of this LOA that federal law preempts both state drug and alcohol testing laws and City policies and agreements. If this LOA conflicts with federal law or regulations, federal laws and regulations shall prevail. If there are conflicts between federal regulations and this LOA, attributed in part to revisions to the law or changes in interpretations, and when those changes have not been updated or accurately reflected in this policy, the federal law shall prevail.

5. REFUSAL TO UNDERGO TESTING

- A. **Right to Refuse** - Employees have the right to refuse to undergo drug and alcohol testing. If an employee refuses to undergo drug or alcohol testing requested or required by the Employer, no such test shall be given.
- B. **Consequences of Refusal** - If any employee refuses to undergo drug or alcohol testing requested or required by the Employer, the Employer may subject the employee to disciplinary action up to and including discharge from employment.
- C. **Refusal on Religious Grounds** - No employee who refuses to undergo drug or alcohol testing of a blood sample upon religious grounds shall be deemed to have refused unless the employee also refuses to undergo alternative drug or alcohol testing methods.
- D. **Failure to Provide a Valid Sample with a Certified Result** – Includes but is not limited to: 1) failing to provide a valid sample that can be used to detect the presence of drugs and alcohol or their metabolites; 2) providing false information in connection with a test; 3) attempting to falsify test results through tampering, contamination, adulteration, or substitution; 4) failing to provide a specimen without a legitimate medical explanation; and 5) demonstrating behavior which is obstructive, uncooperative, or verbally offensive, and which results in the inability to conduct the test.

6. PROCEDURE FOR TESTING

- A. **Notification Form** - Before requesting an employee to undergo drug or alcohol testing, the Employer shall provide the individual with a form on which to (1) acknowledge that the individual has seen a copy of the Employer's *Drug and Alcohol Testing LOA*, and (2) indicate consent to undergo the drug and alcohol testing.
- B. **Collecting the Test Sample** - The test sample shall be obtained in a private setting, and the procedures for taking the sample shall ensure privacy to employees to the extent practicable, consistent with preventing tampering with the sample. All test samples shall be obtained by or under the direct supervision of a health care professional.
- C. **Testing the Sample.** The handling and testing of the sample shall be conducted in the manner specified in Minn. Stat. §181.953 by a testing laboratory which meets, and uses methods of analysis which meet, the criteria specified in subdivisions.1, 3, and 5 of that statute.
- D. **Thresholds.** The threshold of a sample to constitute a positive result alcohol, drugs, or their metabolites is contained in the standards of one of the programs listed in MN Statute §181.953,

subd 1. The employer shall, not less than annually, provide the unions with a list or *access to a list* of substances tested for under this LOA and the threshold limits for each substance. In addition, the employer shall notify the unions of any changes to the substances being tested for and of any changes to the thresholds at least thirty (30) days prior to implementation.

- E. **Positive Test Results** – In the event an employee tests positive for drug use, the employee will be provided, in writing, notice of his/her right to explain the test results. The employee may indicate any relevant circumstance, including over the counter or prescription medication taken within the last thirty (30) days, or any other information relevant to the reliability of, or explanation for, a positive test result.

7. RIGHTS OF EMPLOYEES

Within three (3) working days after receipt of the test result report from the Medical Review Officer, the Employer shall inform in writing an employee who has undergone drug or alcohol testing of:

- A. A negative test result on an initial screening test or of a negative or positive test result on a confirmatory test;
- B. The right to request and receive from the Employer a copy of the test result report;
- C. The right to request within five (5) working days after notice of a positive test result a confirmatory retest of the original sample at the employee's expense at the original testing laboratory or another licensed testing laboratory;
- D. The right to submit information to the Employer's Medical Review Officer within three (3) working days after notice of a positive test result to explain that result; indicate any over the counter or prescription medications that the employee is currently taking or has recently taken and any other information relevant to the reliability of, or explanation for, a positive test result;
- E. The right of an employee for whom a positive test result on a confirmatory test was the first such result for the employee on a drug or alcohol test requested by the Employer not to be discharged unless the employee has been determined by a Minnesota Licensed Alcohol and Drug Counselor (LADC) or a physician trained in the diagnosis and treatment of chemical dependency to be chemically dependent and the Employer has first given the employee an opportunity to participate in, at the employee's own expense or pursuant to coverage under an employee benefit plan, either a drug or alcohol counseling or rehabilitation program, whichever is more appropriate, as determined by the Employer after consultation with a Minnesota LADC or a physician trained in the diagnosis and treatment of chemical dependency, and the employee has either refused to participate in the counseling or rehabilitation program or has failed to successfully complete the program, as evidenced by withdrawal from the program before its completion;
- F. The right to not be discharged, disciplined, discriminated against, or requested or required to undergo rehabilitation on the basis of a positive test result from an initial screening test that has not been verified by a confirmatory test;
- G. The right, if suspended without pay, to be reinstated with back pay if the outcome of the confirmatory test or requested confirmatory retest is negative;

- H. The right to not be discharged, disciplined, discriminated against, or required to be rehabilitated on the basis of medical history information revealed to the Employer concerning the reliability of, or explanation for, a positive test result unless the employee was under an affirmative duty to provide the information before, upon, or after hire;
- I. The right to review all information relating to positive test result reports and other information acquired in the drug and alcohol testing process, and conclusions drawn from and actions taken based on the reports or acquired information;
- J. The right to suffer no adverse personnel action if a properly requested confirmatory retest does not confirm the result of an original confirmatory test using the same drug or alcohol threshold detection levels as used in the original confirmatory test.
- K. The right to suffer no adverse personnel action based solely on the fact that the employee is requested to submit to a test.

8. ACTION AFTER TEST

The Employer will not discharge, discipline, discriminate against, or request or require rehabilitation of an employee solely on the basis of requesting that an employee submit to a test or the existence of a positive test result from an initial screening test that has not been verified by a confirmatory test.

- A. **Positive Test Result.** Where there has been a positive test result in a confirmatory test and in any confirmatory retest (if the employee requested one), the Employer will do the following unless the employee has furnished a legitimate medical reason for the positive test result:
 - 1. **First Offense** - The employee will be referred for an evaluation by an LADC or a physician trained in the diagnosis and treatment of chemical dependency. If that evaluation determines that the employee has a chemical dependency or abuse problem, the Employer will give the employee an opportunity to participate in, at the employee's own expense or pursuant to coverage under an employee benefit plan, either a drug or alcohol counseling or rehabilitation program, whichever is more appropriate, as determined by the Employer after consultation with an LADC or a physician trained in the diagnosis and treatment of chemical dependency. If the employee either refuses to participate in the counseling or rehabilitation program or fails to successfully complete the program, as evidenced by withdrawal or discharge from the program before its completion, the Employer may impose discipline, up to and including discharge.
 - 2. **Second Offense** - Where an employee tests positive, and the employee has previously participated in one program of treatment required by the Employer, the Employer may discharge the employee from employment.
- B. **Suspensions and Transfers.**
 - 1. **Pending Test Results From an Initial Screening Test or Confirmatory Test.** While awaiting the results from the Medical Review Officer, the employee shall be allowed to return to work unless the

Employer reasonably believes that restrictions on the employee's work status are necessary to protect the health or safety of the employee, other City employees, or the public, and the conduct upon which the employee became subject to drug and alcohol testing would, independent of the results of the test, be grounds for discipline. In such circumstances, the employer may temporarily suspend the tested employee with pay, place the employee on paid investigatory leave or transfer the employee to another position at the same rate of pay.

2. **Pending Results of Confirmatory Retest. Confirmatory retests of the original sample are at the employee's own expense.** When an employee requests that a confirmatory retest be conducted, the employer may place the employee on unpaid leave, place the employee on paid investigatory leave or transfer the employee to another position at the same rate of pay provided the Employer reasonably believes that restrictions on the employee's work status are necessary to protect the health or safety of the employee, other City employees, or the public. An employee placed on unpaid leave may use his/her accrued and unused vacation or compensatory time during the time of leave. An employee who has been placed on unpaid leave must be made whole if the outcome of the confirmatory retest is negative.
 3. **Rights of Employee in Event of Work Restrictions.** In situations where the employee is not allowed to remain at work until the end of his/her normal work day pursuant to this paragraph B, the Employer may not prevent the employee from removing his/her personal property, including but not limited to the employee's vehicle, from the Employer's premises. If the employer reasonably believes that upon early dismissal from work under this paragraph the employee is about to commit a criminal offense by operating a motor vehicle while impaired by drugs or alcohol, the Employer may advise the employee that 911 will be called if the employee attempts to drive or call 911 before dismissing the employee from work so that a law enforcement officer may determine whether the employee is able to operate a motor vehicle legally. This LOA is not applicable with regard to any such determination by a law enforcement officer.
- C. **Other Misconduct** - Nothing in this LOA limits the right of the Employer to discipline or discharge an employee on grounds other than a positive test result in a confirmatory test, subject to the requirements of law, the rules of the Civil Service Commission, and the terms of any applicable collective bargaining agreement. For example, if evidence other than a positive test result indicates that an employee engaged in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in the Employer's workplace, the employee may receive a warning, a written reprimand, a suspension without pay, a demotion, or a discharge from employment, depending upon the circumstances, and subject to the above requirements.
- D. **Other Consequences** – Other actions may be taken pursuant to Civil Service Rules, collective bargaining agreements or laws.

- E. **Treatment Program Testing** – The Employer may request or require an employee to undergo drug and alcohol testing if the employee has been referred by the employer for chemical dependency treatment or evaluation or is participating in a chemical dependency treatment program under an employee benefit plan, in which case the employee may be requested or required to undergo drug or alcohol testing without prior notice during the evaluation or treatment period and for a period of up to two years following completion of any prescribed chemical dependency treatment program.

9. DATA PRIVACY

The purpose of collecting a body component sample is to test that sample for the presence of drugs or alcohol or their metabolites. A sample provided for drug or alcohol testing will not be tested for any other purpose. The name, initials and social security number of the person providing the sample are requested so that the sample can be identified accurately but confidentially. Information about medications and other information relevant to the reliability of, or explanation for, a positive test result are requested to ensure that the test is reliable and to determine whether there is a legitimate medical reason for any drug or alcohol in the sample. All data collected, including that in the notification form and the test report, is intended for use in determining the suitability of the employee for employment. The employee may refuse to supply the requested data; however, refusal to supply the requested data may affect the person's employment status. The Employer will not disclose the test result reports and other information acquired in the drug or alcohol testing process to another employer or to a third party individual, governmental agency, or private organization without the written consent of the person tested, unless permitted by law or court order.

10. APPEAL PROCEDURES

- A. Employees may appeal discipline imposed under this LOA through the Dispute Resolution Procedure contained in the Collective Bargaining Agreement (i.e. grievance procedure) or to the Minneapolis Civil Service Commission.
- B. Concerning disciplinary actions taken pursuant to this drug and alcohol testing LOA, available appeal procedures are as follows:
 - 1) Non-Veterans on Probation: An employee who has not completed the probationary period and who is not a Veteran has no right of appeal to the Civil Service Commission.
 - 2) Non-Veterans After Probation: An employee who has completed the probationary period and who is not a Veteran has a right to appeal to the Civil Service Commission only a suspension of over thirty (30) days, a permanent demotion (including salary decreases), or a discharge, if the employee submits a notice of appeal within ten (10) calendar days of the date of mailing by the Employer of notice of the disciplinary action.
 - 3) Veterans: An employee who is a Veteran has a right to appeal to the Civil Service Commission a permanent demotion (including salary decreases), or a discharge, if the employee submits a notice of appeal within sixty (60) calendar days of the date of mailing by the Employer of notice of the disciplinary action, regardless of status with respect to the probationary period. An employee who is a Veteran has a right to appeal to the Civil Service Commission a suspension of over thirty (30) days if the employee submits a notice of appeal

within ten (10) calendar days of the date of mailing by the Employer of notice of the disciplinary action. An employee who is a Veteran may have additional rights under the Veterans Preference Act, *Minnesota Statutes* §197.46.

- C. All notices of appeal must be submitted in writing to the Minneapolis Civil Service Commission, 250 South 4th Street - Room #100, Minneapolis, MN 55415-1339.
- D. An employee may elect to seek relief under the terms of that agreement by contacting the appropriate Union and initiating grievance procedures in lieu of taking an appeal to the Civil Service Commission.

11. EMPLOYEE ASSISTANCE

Drug and alcohol counseling, rehabilitation, and employee assistance are available from or through the Employer's employee assistance program provider(s) (E.A.P.).

DISTRIBUTION

Each employee engaged in the performance of any federal grant or contract shall be given a copy of this LOA.

**LETTER OF AGREEMENT
Return to Work/Job Bank and Related Matters**

RETURN TO WORK/JOB BANK AND RELATED MATTERS:

The above-entitled Parties are signatory to a Labor Agreement which most recently took effect on January 1, 2014. This Letter of Agreement outlines additional agreements reached by the Parties during the course of the collective bargaining which resulted in the making of the Agreement and which the Parties now desire to confirm.

GENERAL PROVISIONS:

The employee’s Return to Work Policy provides for the timely return to work of employees injured on the job who have temporary and/or permanent restrictions. The Return to Work Program offers services to assist employees injured on the job who have temporary and/or permanent restrictions. This program will assist active employees; it is not intended to provide services to temporary employees or sworn employees. Participation in the Return to Work Program is based on a medical release to return to work. Upon receipt of the medical release, the employer shall make every effort to provide appropriate work activity. Our goal is to assist the work injured on the job by providing appropriate work within three (3) working days of the receipt of the medical release.

If there is a question about the employee’s medical release, the City’s consulting physicians shall make the final determination of an employee’s ability to return to work. If the employer is unable to offer appropriate work within the employee’s limitations, the employer shall provide for the employer’s portion of the health care benefit while the employee is in the Return to Work Program. The employer shall strive to provide appropriate work activity commensurate with the employee’s medical work release.

Continuing eligibility in the Return to Work Program is based upon receipt of medical data documenting the employee’s functional improvement. In addition, compliance with the Workers’ Compensation Statutes, Return to Work Policy, Minneapolis Code of Ordinances §20.810, applicable rules and this Agreement is mandatory. Compliance will be monitored by

the claims coordinators and the Return to Work coordinator. Failure to comply with the requirements of this program may result in termination of the program. Compliance with the program will be determined by the employer.

GENERAL PROVISIONS OF THE RETURN TO WORK/JOB BANK PROGRAM:

The employer has created a Return to Work/Job Bank Program as a component of its resources allocation (budget) process. The Return to Work/Job Bank Program will share some common resources with the restructuring/economic job bank, but it will have different rights and responsibilities. The Return to Work/Job Bank Program will assist both the employer and its employees during a time of unplanned change caused by an injury on the job.

The purpose of the Return to Work/Job Bank Program is to assist the injured worker in returning to a different job within the City if they are unable to perform their original position as a result of work injury arising out of and in the course of employment for the City. It is the employer's intention, to the extent feasible under the circumstances, to identify employment opportunities for employees through reassignment, retraining and out-placement support. One of the goals of the Return to Work/Job Bank is to minimize, to the extent possible, the disruption normally associated with work-related injuries and return to work in alternative positions.

The Return to Work/Job Bank process shall be administered in a manner which is consistent with the employer's desire to treat employees with dignity and respect. The administrators will strive to provide as much information and assistance as may be reasonable possible and practical within the resources available. Our objective is to assist employees in making informed choices about their future with the City and at the same time to utilize the competency of City employees, whenever possible, in staffing vacant City positions. Mutual cooperation and participation is necessary in order to accomplish this objective.

RETURN TO WORK/JOB BANK POLICIES:

1. Injured, non-sworn, City employees who have been permanently certified or appointed and were injured on the job after June 1, 1995, and who have been assigned permanent restrictions that prevent the employee from returning to the pre-injury job, will be afforded the opportunities available in the Job Bank, Return to Work component. This policy will also cover employees injured on the job who are actively working for the City now and whose jobs are eliminated as a result of economic or restructuring decisions.
2. The services and benefits of the Job Bank will apply to employees injured on the job as long as the employee complies with the Workers' Compensation Statutes, Return to Work Policy, Minneapolis Code of Ordinances §20.810, applicable rules and this Agreement. Employee compliance will be determined by the City. These services and benefits include:
 - a) 120-day tenure
 - b) Job interviews/Placement opportunities

- c) Skills assessment
 - d) Training opportunities
 - e) Job-seeking classes
 - f) Health insurance continuation, if separated from employment, as provided for in the Minneapolis Code of Ordinances, §20.470.
3. The Workers' Compensation fund will pay for the salaries of those injured employees while in the Job Bank.
 4. The department that the employee came from has the primary responsibility for finding temporary employment for the employee while they are in the Job Bank. The CMC nurse, Return to Work liaison, claims coordinator, and qualified rehabilitation consultant will aid in determining alternate employment if the original department is unable to identify temporary work.
 5. If the injured worker has not been placed after one hundred twenty (120) calendar days, they will be separated from City service.
 6. Failure to participate in a diligent job search or to comply with requirements of Workers' Compensation Law during participation in the Return to Work or Job Bank programs may result in termination of Job Bank services and benefits.
 7. An employee has no further tenure in the Job Bank Program after a formal job offer has been made.
 8. An employee is entitled to use the Return to Work/Job Bank Program once.
 9. Compliance with the Workers' Compensation Statutes, Return to Work Policy, Minneapolis Code of Ordinances §20.810, applicable rules and this Agreement will be monitored by the claims coordinators and the Return to Work coordinator. An employees participation in this Program shall be terminated upon recommendation of the City.
 10. There will be no exception to this Agreement without the approval of the Oversight Committee.

RETURN TO WORK/JOB BANK PROCESSES:

Job Assignment

1. Injured, non-sworn, City employees who have been permanently certified or appointed and were injured on the job after June 1, 1995 and who have been assigned permanent restrictions that prevent the employee from returning to their pre-injury job, will be afforded the opportunities available in the Return to Work/Job Bank Program. This policy will also cover injured employees who are actively working now for the City and whose jobs are eliminated as a result of economic or restructuring decisions.

2. Such employees shall be assigned to the Job Bank for the ensuing one hundred twenty (120) calendar days or until they obtain a different job, as long as they comply with the Workers' Compensation Act, relevant rules, this Agreement, the Return to Work Policy and Minneapolis Code of Ordinances §20.810.
3. Permit-temporary employees and certified-temporary employees are not eligible for Return to Work/Job Bank services.

RETURN TO WORK/JOB BANK ACTIVITIES:

1. When injured employees are assigned to the Job Bank, they shall continue in temporary assigned positions with pre-injury salary and benefits. While so assigned, however, injured employees may be required to perform duties outside of their assigned job classifications and/or they may be required to perform such duties in a different location, as determined by the Employer.
2. While injured employees are assigned to the Job Bank, the Employer and Employee shall make reasonable efforts to identify vacant positions within Employer's organization which may provide continuing employment opportunities.
 - a. **Lateral Transfer.** Employees may request to be transferred to a vacant position in another job classification at the same MCSC grade level provided they meet the minimum qualifications for the position.
 - i. Seniority Upon Transfer. In addition to earning job classification seniority in their new title, transferred employees shall continue to accrue job classification seniority in their former title and they shall have the right to return to their former title if the position to which they have transferred is later eliminated as long as the job requirements are consistent with the employee's permanent restrictions. In the event the transfer is to a formerly held job classification, seniority in the new (formerly held) title shall run from the date upon which they were first certified to the former classification.
 - ii. Pay Upon Transfer. The employee's salary in the new position will be supplemented, if necessary, to comply with the Worker's Compensation Statutes. Lateral transfers shall not affect anniversary dates of employment for pay progression purposes.
 - iii. Probationary Periods. Employees transferring to a different title will serve a six (6) calendar month probationary period. In the event the probationary period is not satisfactorily completed (either because the involved supervisor has concluded that the employee's performance in the new position is not satisfactory or because the employee is not satisfied

LETTER OF AGREEMENT Job Bank and Related Matters

The above-entitled Parties are signatory to a Labor Agreement which most recently took effect on January 1, 2014 (the “Labor Agreement”). This Letter of Agreement outlines additional agreements reached by the Parties during the course of the collective bargaining which resulted in the making of the Agreement and which the Parties now desire to confirm.

GENERAL PROVISIONS

The Employer has created a *Job Bank* as a component of its resources allocation (budget) process. The purpose of the Job Bank is to assist the Employer and its employees during a time of major restructuring and change caused by unyielding demands for municipal service in the face of decreasing funding. It is the Employer’s intention, to the extent feasible under these circumstances, to identify employment opportunities for employees whose positions are eliminated through reassignment, retraining and out-placement support. One of the purposes of the Job Bank process is to minimize, to the extent possible, the disruption normally associated with contractual “bumping” and layoff procedures to both the Employer and affected employees.

The Job Bank process shall be administered in a manner which is consistent with the Employer’s desire to treat affected employees with dignity and respect at a difficult time in their relationship and to provide as much information and assistance to them as may be reasonably possible and practical within the limited resources available.

The term “Recall List” as used in this Agreement means the list of employees who are laid off from employment with the City or removed from their position by reason of a reduction in the size of the workforce, and who retain a right to return to their prior job classification pursuant to the terms of the Labor Agreement and/or Civil Service rules.

JOB BANK PROCESS AND PROCEDURE

I. Job Bank Assignment

1. Regular (*permanently certified*) employees whose positions are eliminated shall

receive formal, written notification to that effect from the appointing authority of the department to which they are assigned. If a position is to be eliminated in any department, the employee with the least amount of seniority in the particular job class within the impacted division/department will be placed in the job bank, regardless of performance, assignment, function or other consideration. For the purposes of this section, a division is defined as an operational unit headed by a supervisory director or deputy who reports directly to a department head. If a department is of such a size as to have no distinct divisions, the department shall be treated as a division. Whether the layoff will be implemented relative to the least senior in a division or department will be determined by the terms of the Labor Agreement covering the impacted positions.

2. Such employees shall be assigned to the Job Bank. Employees whose positions have been eliminated based on the Employer's regular annual budget process, including the Mayor's proposed budget and/or the final annual City budget as passed by the City Council, or as otherwise ordered by the City Council, are entitled to a sixty (60) day tenure in the job bank. All positions eliminated based on the Mayor's proposed budget and/or the final annual City budget as passed by the City Council must be so eliminated after the Mayor's proposed budget is announced but no later than January 1, of the next budget cycle (unless the department/division intends to eliminate at a later date as part of their final annual budget for that year). Employees whose positions have been eliminated based on any mid-cycle budget or revenue reductions not controlled by the Mayor and the City Council, are entitled to a thirty (30) day tenure in the job bank, or until they are reassigned, whichever may first occur. All such employees in the Job Bank shall have extended job bank services for as long as they remain on a recall list. During such period such laid off employees shall form a pool for "restricted examination" for positions for which they may be qualified. The employee will notify the City of their interest in being considered. The Union will assist in notifying these employees of vacancies to be filled. A permit position shall be considered a "vacancy" if it is in a job classification impacted by the workforce reduction and if more than 60 days remain on the permit.
3. Permit and temporary employees whose employment is terminated are not eligible for Job Bank assignment or benefits. Certified temporary employees shall, however, be eligible for the Job Bank activities described in paragraphs 2(c) below.

II. Job Bank Activities

1. While affected employees are assigned to the Job Bank, they shall continue in their positions with no change in pay or benefits. While so assigned, however, affected employees may be required to perform duties outside of their assigned job classifications and/or they may be required to perform such duties at a different location as determined by the Employer.

2. While affected employees are assigned to the Job Bank, the Employer shall make reasonable efforts to identify vacant positions within its organization which may provide continuing employment opportunities and which may be deemed suitable for affected employees by all concerned.
 - a. **Lateral Transfer.** Employees may request to be transferred to a vacant position in another job classification at the same MCSC Grade level provided they meet the minimum qualifications for the position.
 - i. **Seniority Upon Transfer.** In addition to earning job classification seniority in their new title, transferred employees shall continue to accrue job classification seniority in their former title and they shall have the right to return to their former title if the position to which they have transferred is later eliminated. In the event the transfer is to a formerly held job classification, seniority in the new (formerly held) title shall run from the date upon which they were first certified to the former classification.
 - ii. **Pay Upon Transfer.** The employee's salary in the new position will be their former salary or that of the next available step in the pay progression schedule for the new title which provides for an increase in salary if no equal pay progression step exists. If the employee's salary in the former position is greater than the maximum salary applicable to the new title, the employee's salary will be *red circled* until the maximum salary for the new title meets the employees' red circled rate. Such employees shall, however, be eligible for fifty percent (50%) of the negotiated general increase occurring during the term of the Agreement. Lateral transfers shall not affect anniversary dates of employment for pay progression purposes.
 - iii. **Probationary Periods.** Employees transferring to a different title will serve a six (6) calendar month probationary period. In the event the probationary period is not satisfactorily completed, the affected employee shall be returned to Job Bank assignment and the employee's "bumping", layoff or transfer rights under the Agreement or other applicable authority shall be restored to the same extent such rights existed prior to the employee taking the probationary position. Upon the affected employee's first such return to the Job Bank, the employee shall be entitled to remain in the Job Bank for the greater of ten (10) business days, or the duration of the applicable Job Bank period, as determined under Article I, paragraph 2, that remained as of the date the employee began in the probationary position. The rate of compensation for the remainder of the employee's time in the Job Bank will be the

same as the rate in effect as of the employee's last day in the probationary position. Return to the Job Bank terminates the employee's work in the probationary assignment and, therefore, time served following the return to the Job Bank shall not be construed to count toward the completion of the probationary period.

- b. **Reassignment.** The Employer reserves the right to transfer an employee in the Job Bank to a new position and/or duty location within their job classification at a time determined to be appropriate by the Employer. Such reassignments terminate the affected employee's assignment to the Job Bank. If the Labor Agreement covering the job classification of the employee reassigned under this paragraph specifically permits a probationary period upon reassignment, the provisions of subparagraph a.iii, above, shall apply as if the reassignment had been a transfer.

- c. **Recall Rights.** Employees who accept a position out of the Job Bank or who bump into a previously held position, or leave City employment on layoff shall retain recall rights to the title they held when assigned to the Job Bank in accordance with the collective bargaining agreement at the time of placement in the Job Bank.

- d. **Filling Vacant Positions.** During the time the procedures outlined herein are in effect, position vacancies to be filled shall first be offered to regular employees who have a contractual right to be recalled to a position in the involved job classification or who may have a right to "bump" or transfer to the position, as the case may be. In such circumstances, the seniority provisions of the Agreement shall be observed. If no regular employee has a contractual right to the position, the following shall be given consideration in the order (priority) indicated below:

- 1st Priority: Qualified Job Bank employees
- 2nd Priority: Employees on a recall list
- 3rd Priority: Employee applicants from a list of eligibles
- 4th Priority: Displaced certified temporary employees
- 5th Priority: Non-employee applicants from a list of eligibles

The qualifications of an employee in the Job Bank or on a recall list shall be reviewed to determine whether he/she meets the qualifications for a vacant position. Whether the employee can be trained for a position within a reasonable time (not to exceed three months) shall be considered when determining the qualifications of an employee. If it is determined that the employee does not meet the qualifications for a vacant position, the employee may appeal to the Director of Human Resources. If it is determined that an employee in the Job Bank is qualified for a vacant

position, the employee shall be selected. The appointing authority may appeal the issue of whether the employee is qualified. The dispute shall be presented to and resolved by the Job Bank Steering Committee.

If it is determined that an employee on a recall list is qualified for a vacant position, the employee will be given priority consideration and may be selected. Appeals regarding employees on a recall list and their qualifications for a position will be handled by the Civil Service Commission.

The grievance procedure under the Labor Agreement shall not apply to determinations as to qualifications of the employee for a vacant position.

3. During their assignment to the Job Bank, affected employees will be provided an opportunity to meet with the Employer's Placement Coordinator to discuss such matters as available employment opportunities with the Employer, skills assessments, training and/or retraining opportunities, out-placement assistance and related job transition subjects. Involvement in these activities will be at the discretion of the employee. Further, affected employees will be granted reasonable time off with pay for the purpose of attending approved skills assessment, training and job search activities. Displaced certified temporary employees are eligible for the benefits described in this paragraph. These services shall be provided to the Job Bank employee at no cost to the employee.

III. Layoff, Bumping and Retirement Considerations

1. A "Primary Impact Employee" is an employee who enters the Job Bank due to the elimination of his/her position. A "Secondary Impact Employee" is an employee who enters the Job Bank because he/she may be displaced by a Primary Impact Employee. All affected employees may exercise the displacement, "bumping" and/or layoff rights immediately. A Primary Impact Employee must exercise displacement or bumping rights within forty-five (45) days of entering the Job Bank (or within twenty-two [22] days of entering the Job Bank for an employee entitled to 30-days in the Job Bank). A Primary Impact Employee who exercises his/her displacement or bumping rights within the first thirty (30) days from entering the Job Bank (within the first fifteen [15] days for an employee entitled to 30-days in the Job Bank) shall have 8 hours added to the employee's vacation bank. A Secondary Impact Employee must exercise his/her displacement or bumping rights within seven (7) calendar days of being displaced or bumped. Displacement and bumping rights shall be forfeited unless exercised by the deadlines specified in this paragraph or in the provisions of 2.a *iii*, Lateral Transfers, above. Regardless of when bumping rights are exercised, any change in the compensation of the employee resulting from the exercise of bumping rights shall not take effect until after the employee's term in the Job Bank would

have expired had the employee remained in the Job Bank for the maximum period.

2. If an affected employee is unable to exercise any “bumping” rights, or forfeits their bumping rights, under the Agreement or other authority and has not been placed in another City position, the employee shall be laid off and placed on the appropriate recall list with all rights pursuant to the relevant Labor Agreement provisions, if any, and all applicable Civil Service rules. In addition, they shall be eligible for the benefits described as follows:
 - (a) The level of coverage, single or family, shall continue at the level of coverage in effect for the laid off employee as of the date of layoff.
 - (b) The health/dental plan that shall be continued shall be the plan in effect for the employees as of the date of layoff.
 - (c) The City shall pay one hundred (100) percent of the premiums for the first six (6) months of COBRA continuance at the level of coverage and plan selected by the employee and in effect on the date of the layoff.

The terms of this provision relating to the continuation of insurance benefits will expire on December 31, 2013. The City Council must take specific action to extend these terms relating to the continuation of insurance benefits if the City Council wants those specific insurance benefits to apply to laid off employees after December 31, 2013.

3. If eligible, affected employees may elect retirement from active employment under the provisions of an applicable pension or retirement plan. In such event, affected employees will be eligible for any available Retirement Incentive that is agreed to by the Parties.

IV. Dispute Resolution. Disputes regarding the application or interpretation of this Agreement are subject to the grievance procedure under the Labor Agreement between the parties, except as specifically provided here. A dispute regarding the application or interpretation of this Agreement that needs to be resolved during an employee’s time in the Job Bank may be submitted to the Job Bank Steering Committee. The decision of the Job Bank Steering Committee will be binding on the parties. Submission to the Job Bank Steering Committee shall not preclude the filing of a grievance on the issue. However, the decision of the Steering Committee shall be admissible in an arbitration hearing on such grievance.

The provisions of this *Letter of Agreement* associated with the Job Bank Program shall become effective upon the approval of the Employer’s Council and Mayor. The Job Bank procedures outlined herein shall be observed after the negotiated termination date of the Labor Agreement between the Parties, and expire on December 31, 2012.

To the extent that there is any conflict between the terms of this *Letter of Agreement* and the Labor Agreement, the Labor Agreement shall prevail.

NOW THEREFORE, the Parties have caused this *Letter of Agreement* to be executed by their duly authorized representative whose signatures appear below.

2. Medica will continue a dual medical premium system that provides incentives for wellness program participation. The monthly medical premiums for subscribers who complete 2013 wellness program points by August 31, 2013 (the “wellness premiums”) will be lower than the premiums for subscribers who do not complete 300 wellness program points by August 31, 2013 (the “standard premiums”). The 2013 wellness program requirements are described the *New and Improved! My Health Rewards by MedicaSM* brochure which is attached hereto and incorporated herein as Appendix A.

The “wellness premium” will also apply to all newly enrolled employees who were benefit eligible after July 1, 2013.

3. For the period January 1, 2014 through December 31, 2014, the City will pay \$507.06 per month for employees who elect single coverage under the medical plan.

4. For the period January 1, 2014 through December 31, 2014, the City will pay \$1,369.07 per month for employees who elect family coverage under the medical plan.
5. The City will continue the Health Reimbursement Arrangement (“the Plan”) which was established January 1, 2004 to provide reimbursement of eligible health expenses for participating employees, their spouse and other eligible dependents; and the Voluntary Employees’ Beneficiary Association Trust (the “Trust”) through which the Plan is funded.
6. The Plan shall be administered by the City or, at the City’s discretion, a third party administrator.
7. The City shall designate a Trustee for the Trust. Such Trustee shall be authorized to hold and invest assets of the Trust and to make payments on instructions from the City or, at the City’s discretion, from a third party administrator in accordance with the conditions contained in the Plan. Representatives of the City and up to three representatives selected by the Minneapolis Board of Business Agents shall constitute the VEBA Investment Committee which shall meet not less than annually to review the assets and investment options for the Trust.
8. The City shall pay administration fees for Plan members who are current employees and other expenses pursuant to the terms of the Plan. Plan members who have separated from service will be charged an administration fee of \$1.50 per month beginning the January 1st of the calendar year following the year in which they experience a one year break in service.
9. The City will make a contribution to the Plan in the annual amount of \$1,080.00 for employees who elect single coverage and \$2,280.00 for employees who elect family coverage in the City of Minneapolis Medical Plan. Such City contribution shall be made in monthly installments equal to one-twelfth (1/12) of the designated amount and shall be considered to be contract value in the designated amount.

- For an employee who, as of August 31, 2014, has family coverage and has enrolled a spouse, the employee’s spouse must complete a personal health profile.

In the event of a forfeiture required pursuant to Section 5.5(b) of the Plan, following the death of a member who has no surviving spouse or qualified dependents, the amount forfeited will be divided evenly among the Plan accounts of members of the bargaining unit to which the deceased member last belonged. The amount to be forfeited will be calculated as of the date claims for reimbursement are no longer timely pursuant to terms of the Plan. For purposes of eligibility to receive such forfeited amount, bargaining unit membership will be determined on the date such forfeiture is distributed.

10. Future employee contributions for medical plan and/or Plan contributions will be determined by the Benefits Sub-committee of the Citywide Labor Management Committee; however, absent a subsequent agreement, the City shall bear 82.5% of any generalized medical premium rate increase and the employees shall bear 17.5% of any generalized medical premium rate increase, as determined by Medica.
11. The Parties agree that, except for City contributions to the Plan or other negotiated payments to a tax-qualified health savings account, incentives, discounts or special payments provided to medical plan members that are not made to reimburse the member or his/her health care provider for health care services covered under the medical plan (e.g. incentives to use health club memberships or take health risk assessments) are not benefits for the purposes of calculating aggregate value of benefits pursuant to Minn. Stat. § 471.6161, Subd. 5.

15. The terms of this agreement shall be incorporated into the Collective Bargaining Agreement as appropriate without additional negotiations.

LETTER OF AGREEMENT Employment of Temporary Employees

WHEREAS, the City of Minneapolis (the *Employer* herein) and the Minneapolis Building and Construction Trades Council, AFL-CIO (the *Union*) are *Parties* to a collective bargaining agreement (the *Agreement*) which took effect on January 1, 2014 and which remains in effect through December 31, 2015; and

WHEREAS, Section 7.09 (*Permits and Details*) of the Agreement limits the Employer's right to utilize temporary employees to periods no longer than the length of an incumbent employee's absence or six (6) consecutive months, whichever is longer, unless the Parties agree to the contrary in writing; and

WHEREAS, *Minnesota Statutes* Chapter 471 (Local Laws 1988) authorizes the Employer and the Union to enter into agreements concerning the employment of skilled craft and trade employees the terms and provisions of which are more compatible with the changing employment needs of the Employer for temporary employment than are the provisions of the Agreement; and

WHEREAS, the Employer and the Union desire to enter into such an agreement,

THE PARTIES, notwithstanding any other provision of the Agreement to the contrary, agree as follows:

1. The services of the Union's (and/or any of the Union's affiliated Local Unions) *hiring hall* shall be made available to the Employer as the sole and exclusive source for the referral of qualified temporary employees. The Union shall refer qualified employees to the Employer for employment on a non-discriminatory basis. The Employer shall have the right to reject any applicant for employment. Nothing herein shall be construed as a limitation upon the Employer's right to recruit and employ employees from other sources where the Union's hiring hall is unable to meet the Employer's needs in a timely fashion.
2. The temporary employee (*Permit*) limitations set forth in Section 7.09 (*Permits and Details*) shall not apply to persons employed under the provisions expressed herein. Employees hired under the provisions expressed herein are not Permit employees and

they are not Detail employees, nor is their employment subject to Minneapolis Civil Service Commission rules. Rather, such temporary employees may ordinarily be employed for periods of six (6) consecutive calendar months or less or for longer periods when the parties agree in writing.

3. Persons employed under the provisions expressed herein shall be *at will* employees, i.e., they shall serve at the pleasure of the Employer. Such employees may be released from employment within the sole discretion of the Employer without regard to *seniority* or to *just cause* as those terms are used in the Agreement or elsewhere. Notwithstanding the provisions at paragraph 6, below, the release of a temporary employee from employment shall not be subject to review under the grievance or arbitration provisions of the Agreement or the rules and regulations of the Minneapolis Civil Service Commission, however, the release of a temporary employee may be subject to Minnesota Statutes regarding Veteran's Preference.
4. None of the pay or benefit provisions of the Agreement shall apply to temporary employees. Such employees shall be paid the basic hourly wage rate established by the Union's (or its affiliated Local Union) prevailing area-wide collective bargaining agreement. The Employer shall also make appropriate contributions to the pension, welfare, fringe benefit and local apprenticeship funds specified by the area collective bargaining agreement. No wage or fund contribution shall be paid for time not actually worked.
5. The Employer shall schedule the hours of work for all persons employed under these provisions. Such employees shall be permitted reasonable time off without pay or benefits for vacations, holidays and sick leave provided such time off is requested and approved in advance. Temporary employees employed under these provisions shall be paid overtime for all work actually performed over eight (8) hours in any work day and/or forty (40) hours in any work week and for all work performed on any Saturday. By mutual agreement between the City and an employee, the employee may be scheduled to four (4) consecutive 10 hour days per week, and such mutual agreements shall provide for overtime for all worked actually performed over ten (10) hours in a work day and/or forty (40) hours in a work week and for all work performed on any Saturday.. LETTER OF AGREEMENT Regular Rate of Pay and Overtime Calculations for City of Minneapolis’ Non-exempt Employees

WHEREAS, the labor unions representing non-exempt employees in the City of Minneapolis have demanded for the first time to negotiate terms and conditions of employment associated with overtime eligibility and payment; and

WHEREAS, the labor unions have elected, and the City of Minneapolis (herein after “Employer”) has agreed, to handle these negotiations in a coalition format using the Minneapolis Board of Business Agents (herein after “MBBA”) (jointly the “Parties”) to represent all unions with non-exempt members; and

WHEREAS, the Parties have determined that overtime compensation practices should be clearly articulated with the implementation of the City’s Time & Labor system; and

WHEREAS, the Parties share an interest in resolving any current or future conflicts over pay practices with the implementation of the Time & Labor system;

NOW, THEREFORE, the Parties agree that the following terms and conditions for calculating overtime pay shall supersede current contract language and previously observed practices:

1. Compensatory time used will not be included in the calculation of hours worked for the purpose of reaching overtime thresholds;
2. Approved sick , bereavement, jury duty, paid holidays, and accrued vacation leaves from work will be included in the calculation of hours worked for the purpose of reaching daily or weekly overtime thresholds;
3. Employees may replace compensatory time used with accrued vacation time to meet the weekly overtime threshold. An employee may not use this provision to accrue or increase a negative balance of vacation time. This replacement must be done within the payroll period in which the overtime is worked;

4. Hourly premiums, shift differentials, hazard pay, longevity and any other negotiated pay benefits will be included in the calculation of the employee's "regular rate of pay";
5. All eligible paid leave time, as defined in this Letter of Agreement, is eligible for overtime earnings when the total paid hours within a work week exceeds forty (40) hours, regardless of the sequential order of the applied leave;
6. The Employer shall calculate the regular rate of pay for overtime payments in accordance with the U.S. Department of Labor's guidance on the FLSA;
7. "Seventh day worked" means seven consecutive days of actual work (any day where work is performed for 4 hours or more) independent of the Employer's pay periods;
8. The seventh day worked premium rate of pay of two (2) times the employees' regular hourly rate of pay will be paid for all work performed on the seventh consecutive day of actual work, notwithstanding the timing of pay periods or unscheduled shift changes, except where specifically exempted within other negotiated agreements. The extension of a shift into the next pay day shall not be counted as a separate day of work. Use of any paid time off of more than four (4) hours on any work day within the seven consecutive days is disqualifying for the seventh day worked premium, though the employee remains eligible for the regular time and a half overtime premiums if the work exceeds forty (40) hours in any work week.
9. All seventh day worked premium earnings will be paid in cash; no compensatory time earned will be granted in lieu of cash compensation for this premium.
10. The Parties agree that these terms and conditions will be incorporated as appropriate into individual collective bargaining agreements without further negotiations. Failure to execute or incorporate shall mean the minimum standards of the FLSA shall govern the payment of overtime except for previously negotiated terms or conditions.

THE PARTIES have caused this Letter of Agreement to be executed by their duly authorized representatives whose signatures appear below.
