RE: Minnehaha Avenue Reconstruction Project

Dear Property Owner/Tax Payer,

You are invited to attend an informational meeting regarding the proposed reconstruction of Minnehaha Avenue between 26th St E and 24th St E. The City of Minneapolis has identified this corridor for full reconstruction including pavements, curb and gutter, storm drains and some sidewalks. Construction is anticipated to begin in 2015. This is the second community meeting regarding this project. The purpose of the meeting is to provide an update on the design plan/concept based on the feedback received from our first round of meetings with property owners and other stakeholders that occurred in August.

The meeting is scheduled for **September 23rd at 2:00 PM**. The meeting will be held in the community room of the Gandhi Mahal Restaurant:

Gandhi Mahal
3009 27th Avenue South
