**Background/Analysis:**

Casey Family Programs is the nation's largest operating foundation focused on safely reducing the need for foster care and building Communities of Hope for children and families across America. Our mission is to provide and improve — and ultimately prevent the need for — foster care.

These funds will go towards a Minneapolis Youth Day of Action scheduled for January 14, 2016. This event will be in partnership with Cities United and the Bush Foundation to bring a day of hands-on learning about social impact with an emphasis on youth violence prevention and healing trauma.

**Financial Review:**

**Additional appropriation required.**
